

THEATER ROOF COLLAPSES MANY DEAD

MANY KILLED SCORES INJURED AS AUDIENCE IS BURIED IN DEBRIS

Greatest Confusion Prevailed for Hours Afterward as Firemen, Marines and Soldiers Worked in the Rescue of Those Imprisoned—One of Finest Theatres in Capital

(By The Associated Press)

WASHINGTON, Jan. 28.—Seventeen persons at least are believed to have been killed and scores injured tonight in the collapse under the weight of two feet of snow of the roof of the Knickerbocker Theatre, a motion picture house, located in the heart of Washington's fashionable Northwest section.

Two hours and a half after the crash, which occurred about 9 o'clock, definite information as to the number of dead and injured was wholly lacking as well as estimates of the number of those in the theater at the time—these estimates ranging from 150 to 500 altho the theater, one of the finest motion picture houses in the city, had accommodations for more than 2,000 spectators.

Noble Tomasso Aserto, third secretary of the Italian embassy, was among those seriously injured.

The names of the dead had been ascertained by the police only in a few instances and these follow:

Mrs. B. H. Covell.

Miss Costley.

William Tracy, a member of the orchestra.

F. H. Ernest.

Two dead were unidentified, one carrying an envelope with a "Wardman Park Hotel" return address directed to W. P. Stay of Manchester, New Hampshire.

All was confusion for hours after the crash while police, firemen, marines from the nearby barracks and soldiers from Walter Reed military hospital strove to burrow beneath the mass of debris and bring forth those buried there-under.

Scores had been removed from the edges of the debris and hurried to hospitals engaged for twenty four hours in battling the worst snow storm to visit Washington in a decade were unable to check up on the number of those taken to the hospitals or on whether any or how many had died after reaching the hospitals.

Probably no chief executive of the nation has previously indicated so deep and intelligent interest in the farmers' affairs.

President Harding recognized the bad state of agriculture at the present time, stressed the outstanding importance of agriculture in our national life, showed that the farmer must have a credit system adapted to his needs, asserted that lasting improvement is to come only thru the development of co-operation marketing, favored a scientific limitation of production and pointed out the dignity of the profession.

Movement is Protest.

The co-operative marketing movement as fostered by the American Farm Bureau Federation is a protest expressed in action against excess margins and distributive costs. It is no new thing. It has been carried on successfully in Europe for hundreds of years.

"Secretary Wallace comes out if the National Agricultural Conference with his hands greatly strengthened to perform a real and definite service for agriculture and the nation. Particularly notable in the endorsements of the conference is the farmers' demand for early completion of the St. Lawrence Deepwaterway, the development of the Muscle Shoals by Henry Ford, the building of a credit machine adapted to a farm turnover at reasonable rates of interest and the farmers demand that both capital and labor or must share alike in the readjustments which have already hit agriculture. The endorsement by the conference of the agricultural bloc is significant.

The Injured.

The list of known injured so far follows:

Mrs. R. J. Brown, Walter Urd Saybe, M. E. Castney, Doc Brossouar, of North Adams, Mass., a student at Georgetown University, fractured back; Mrs. Henry S. Howell, Henry T. Lacey, fractured ribs; J. L. Durland, cuts and bruises; Mrs. J. L. Durland, cuts and bruises, Nabile Tomasso Aserto, third secretary of the Italian embassy; R. J. Bowen, injures serious; Mrs. R. J. Bowen, leg broken; Marie Rhea, John Klemmer, Belle Rembo, Hugh Nesbitt, son of a representative of the Kansas City Star; S. W. Richards, Robert Williams, Douglas Hillyer, Mrs. Marie Russell, W. S. Schlossfield of Danville, Va., G. S. Freeman, H. P. Robertson, Joseph Keen, John Prezioso, musicians; Apache, Vauquou, musician.

Merito arm crushed off at shoulder; G. Caslon, M. Gold, Hugh Glenn, Edward A. Williams, musician, broken leg; William Mattiello, musician, arm amputated; Mr. and Mrs. John Michaels, Woodley Apartment, injuries slight; Dr. Custer Lee Hall, fractured arm and his wife, dislocated shoulder, fractured arms and about head; Miss Margaret Cole, Florence Long, Mrs. Gertrude Taylor, James A. Curran of Florence, Mass.; Miss Helen Hopkins, S. M. Lee, Albert Sward, of Chicago, scalp, wounds fractured skull; Miss MacLean, slightly injured; I. R. G. Curtis, Dr. and Mrs. Hall, slightly injured.

The children—Wesley Richardson, 16, his half sister, Leslie Brewington, 5 and half brother, Henry, 3—said their father left home two weeks ago saying he was going to visit his sick mother and he has not been heard from since. They said their mother forced all the bed clothing on them when they ran out of fuel.

The children will recover it was said.

CONFERENCE TO RESULT IN ORGANIZATION

Farmers Will be Brought Together in Cooperation

(By The Associated Press)

WASHINGTON, Jan. 28.—The National Agricultural Conference which closed its sessions last night after adoption of recommendations designed to alleviate present farm depression and prevent recurrences of such a condition was hailed as "the most far-reaching conference of farmers ever held," in a statement issued tonight by J. R. Howard, president of the American Farm Bureau Federation. The recommendations of the conference were endorsed by Mr. Howard and were made the basis of study by Secretary Wallace and other officials upon whom will devolve the task of making them effective. Referring to President Harding's suggestion in opening the conference that the farmers of the nation seek to unite in co-operative organizations Mr. Howard in his statement said:

"The Farm Bureau will undertake to organize all the farmers of the nation and unite them in strong commodity marketing associations which will prove the distribution of food to the lasting benefit of both consumer and the producer."

The agricultural conference will go down in history as the most far-reaching conference of farmers ever held," the statement said. "The topmost feature of course was the address of the president of the United States and the commitments which it contained of the administrations attitude toward agriculture."

Probably no chief executive of the nation has previously indicated so deep and intelligent interest in the farmers' affairs.

President Harding recognized the bad state of agriculture at the present time, stressed the outstanding importance of agriculture in our national life, showed that the farmer must have a credit system adapted to his needs, asserted that lasting improvement is to come only thru the development of co-operation marketing, favored a scientific limitation of production and pointed out the dignity of the profession.

Movement is Protest.

The co-operative marketing movement as fostered by the American Farm Bureau Federation is a protest expressed in action against excess margins and distributive costs. It is no new thing. It has been carried on successfully in Europe for hundreds of years.

"Secretary Wallace comes out if the National Agricultural Conference with his hands greatly strengthened to perform a real and definite service for agriculture and the nation. Particularly notable in the endorsements of the conference is the farmers' demand for early completion of the St. Lawrence Deepwaterway, the development of the Muscle Shoals by Henry Ford, the building of a credit machine adapted to a farm turnover at reasonable rates of interest and the farmers demand that both capital and labor or must share alike in the readjustments which have already hit agriculture. The endorsement by the conference of the agricultural bloc is significant.

The Injured.

The list of known injured so far follows:

Mrs. R. J. Brown, Walter Urd Saybe, M. E. Castney, Doc Brossouar, of North Adams, Mass., a student at Georgetown University, fractured back; Mrs. Henry S. Howell, Henry T. Lacey, fractured ribs; J. L. Durland, cuts and bruises; Mrs. J. L. Durland, cuts and bruises, Nabile Tomasso Aserto, third secretary of the Italian embassy; R. J. Bowen, injures serious; Mrs. R. J. Bowen, leg broken; Marie Rhea, John Klemmer, Belle Rembo, Hugh Nesbitt, son of a representative of the Kansas City Star; S. W. Richards, Robert Williams, Douglas Hillyer, Mrs. Marie Russell, W. S. Schlossfield of Danville, Va., G. S. Freeman, H. P. Robertson, Joseph Keen, John Prezioso, musicians; Apache, Vauquou, musician.

Merito arm crushed off at shoulder; G. Caslon, M. Gold, Hugh Glenn, Edward A. The children—Wesley Richardson, 16, his half sister, Leslie Brewington, 5 and half brother, Henry, 3—said their father left home two weeks ago saying he was going to visit his sick mother and he has not been heard from since. They said their mother forced all the bed clothing on them when they ran out of fuel.

The children will recover it was said.

CHILDREN FREEZE BY BODY OF DEAD MOTHER

St. Louis, Mo., Jan. 28.—Three children suffering from exposure were brought to a charitable institution here today from their cabin home near Thayer, Mo., where they were found by neighbors huddled about the body of their mother who is said to have frozen to death.

The children—Wesley Richardson,

16, his half sister, Leslie Brewington, 5 and half brother, Henry, 3—said their father left home two weeks ago saying he was going to visit his sick mother and he has not been heard from since. They said their mother forced all the bed clothing on them when they ran out of fuel.

The children will recover it was said.

GOES TO CONSOLE

NEIGHBOR IS STRICKEN

Bloomington, Ill., Jan. 28.—Entering the house of a neighbor to console her after the death of a daughter, Friday morning, Mrs. N. H. Daleiden was stricken with paralysis. Eighteen hours later, she died.

BRIEFS

(By The Associated Press)
DETROIT, Jan. 28.—The first robins of the season were seen here this morning at the home of Miss Maude Greene, despite the eight above zero mark recorded at the weather bureau. Neighbors were called to see the early birds.

JOLIET, Jan. 28.—Fern Marshall, 20 year old, of Wilmington, was instantly killed when an automobile she was driving skidded into the path of a Wabash railroad limited, near Ballou, Ill., at 11 o'clock this morning. The girl's body was badly mangled and dragged along the track for sixty yards.

SPRINGFIELD, Ill., Jan. 28.—Agreements between the Illinois Bell telephone company and the Murphysboro Telephone company eliminating toll stations at South Amherst, Texas City, Somersett, Rudemont and Mitchellville, were approved here today by the Illinois Commerce commission.

SPRINGFIELD, Ill., Jan. 28.—Residents of Clifford in Williamson county today complained to the Illinois Commerce Commission that their town of 1,500 is without "even a box car" for a passenger station, on the Missouri Pacific railway. They ask that the proposed scale has not been formally submitted to unions.

The proposed scale provides 77 cents per ton for pick mining compared with the present rate of 94 cents.

Day labor, average wage \$4.00 per day, compared with present average of \$3.50.

In a statement prepared for the press the operators recite numerous instances where international President John L. Lewis and other union officials are alleged to have said the miners would not accept reductions in wages and would fight to the last to avoid such, and continued:

"The operators believe that these statements of a determined policy demonstrates the rating of any meeting with the United Mine Workers of America and the state and wage scale stated above.

"In arriving at this scale, the statement says, "due consideration has been given the present economic conditions, wages paid in other industries, the reduction in cost of living and the mining scales now in effect in other mining districts. The operators have further given due regard to the welfare of the three interested groups, the public, the miners and operator."

It provides a higher wage comparatively speaking than the reduced wages for some time effective in other districts. Under the scale the operators hope that they may secure some share of the limited coal business now prevailing and they feel certain that the scale offered is as high as can be paid and that result achieved."

DECISION TO HAVE FAR REACHING EFFECT

Cedar Rapids, Iowa, Jan. 28.—Surprised by a railroad detective while in the act of looting a freight car in the Big Four yards here, Albert Ross, said to be a wealthy farmer of near Waynesville, Ill., was brought down by a charge of shotgun when he broke and ran. His injuries are not serious. Ross had unloaded several pails of candy and a large quantity of stock remedy when surprised. Bank books showing deposits of several thousand dollars were found on his person. Railroad detective here have been armed with shot guns for some time.

LANDIS REFUSES TO GIVE UP JOB

CHICAGO, Jan. 28.—William St. Clair of Waterman, Ill., came to Chicago yesterday with \$1,430 to pay a bill. He went home today but the bill remained unpaid. As he descended the railroad station steps, three youths hustled him into an automobile, took his bank roll and threw him out of the auto.

CHICAGO AND VICINITY—Fair Sunday; Monday increasing cloudiness possibly becoming tempestuous not much change in temperature.

ILLINOIS—Fair Sunday followed by increasing cloudiness by night and on Monday with rain in west and south portions; not much change in temperature.

MISSOURI—Increasing cloudiness Sunday; Monday probably rain, colder in north and west portion.

WISCONSIN—Increasing cloudiness Sunday; Monday probably snow, not much change in temperature.

IOWA—Increasing cloudiness Sunday followed by rain or snow Monday and in west portion Sunday night; colder in west and northwest portions Monday.

NEW YORK, Jan. 28.—Detectors of the New York police department were today detailed to duty at all theatres and resorts in the theatrical zone, where bands operated successfully last night and others were ordered to round up men recently released from prison.

Seven armed bandits in three separate exploits yesterday and last night wounded two men and escaped with about \$7,000 in cash.

WASHINGTON, Jan. 28.—An authority was granted the Interstate commerce commission to issue and sell \$30,000,000 in 5 1/2 percent thirty year gold bonds for the purpose of paying off existing indebtedness and adding to the facilities on its line.

The children will recover it was said.

NEW WAGE SCALE IS ADOPTED BY COAL OPERATORS

RELIGIOUS RITES TO BE PERFORMED BEFORE CONCLAVE

Cardinals Will Take Part in Three Requiem Masses

(By The Associated Press)
SOUTHERN OHIO OWNERS PLAN THIRTY-ONE PER CENT CUT

(By The Associated Press)

COLUMBUS, O., Jan. 28.—Coal operators of Southern Ohio here today adopted a new wage scale to supplement that expiring April 1st, providing for reductions averaging from 31 percent to more than 36 percent. The checkoff system also is abolished.

The wage scale proposed by the operators must be accepted by the miners not later than March 1st.

The proposed scale, if accepted by the miners, would become effective April 1st, this year, and would continue thereafter until further notice. A statement containing the proposed wage scale was issued by the miners to the operators "to our employes. It is understood that the proposed scale has not been formally submitted to unions.

The proposed scale provides 77 cents per ton for pick mining compared with the present rate of 94 cents.

Machine mining, including loading, 60 cents per ton compared with the present rate of 94 cents.

Day labor, average wage \$4.00 per day, compared with present average of \$3.50.

In a statement prepared for the press the operators recite numerous instances where international President John L. Lewis and other union officials are alleged to have said the miners would not accept reductions in wages and would fight to the last to avoid such, and continued:

"The operators believe that these statements of a determined policy demonstrates the rating of any meeting with the United Mine Workers of America and the state and wage scale stated above.

"In arriving at this scale, the statement says, "due consideration has been given the present economic conditions, wages paid in other industries, the reduction in cost of living and the mining scales now in effect in other mining districts. The operators have further given due regard to the welfare of the three interested groups, the public, the miners and operator."

It provides a higher wage comparatively speaking than the reduced wages for some time effective in other districts. Under the scale the operators hope that they may secure some share of the limited coal business now prevailing and they feel certain that the scale offered is as high as can be paid and that result achieved."

LANDIS REFUSES TO GIVE UP JOB

CHICAGO, Jan. 28.—Federal Judge K. M. Landis, arbitrator in the controversy between Chicago contractors and building trades unions today refused the request of twenty-six unions that he resign as arbitrator. The Associated Builders and the Building Construction Employers' Association asked Judge Landis to continue as arbitrator. His decision was announced at a conference with union officials and construction men today.

"I have no desire to hang on and would welcome an opportunity to kiss you all goodbye," Judge Landis said, but asserted he felt it his duty to continue.

The water company at Decatur recently purchased a tract of land at \$125 per acre. There must have been some unusual conditions attached to this sale or else the land in Macon county is not as valuable as we supposed.

The dry enthusiasts who have as their ideal world wide prohibition can look with interest toward Poland. A law has just been passed in that country making the manufacture of beer illegal if the alcoholic content is more than 2 1/2 percent. Strict rules have also been adopted for the sale and distribution of the

Knox college is showing the tendency of the times to which several references have previously been made. A limit has been placed upon the number of freshmen to be received each year. Similar rules must soon be enforced by Illinois college and Illinois Woman's college unless the funds are provided for additional equipment.

One of the means proposed for financing bonus legislation is a tax of 3 cents on gasoline. That would be a pretty heavy tax on a commodity already selling at a high price by comparison with pre-war figures—a commodity in

constantly increasing demand. No tax would be much more unpopular. But come to think of it, taxes are not based upon the question of popularity. If they were this would be a taxless country.

Within a year and a half the Treasury will be called upon to retire about \$6,500,000,000 of the public debt. The sum is made up of Victory Notes amounting to \$3,500,000,000. Treasury certificates totaling \$2,200,000,000, and \$70,000,000 worth of war savings certificates. It will be the biggest operation ever undertaken in time of peace, but undoubtedly plans are being worked out by Treasury officials which will bring the least possible disturbance to the country's finances. Victory Notes are being retired as fast as the sinking fund will permit, and new issues of Treasury certificates will spread some of the maturities over a longer period.

SPEAKS HIS CONVICTION.

The people of the United States think very little in a personal way about Andrew W. Mellon, secretary of the treasury, except that he is a man of great wealth. He has a reputation for silence but the people are finding out that he is not at all afraid to speak out his mind on any financial subject, whether or not he is in agreement with even higher government officials. They are finding further than Mr. Mellon never speaks without having a very sound argument in support of his views.

SPEAK UP WEEK.

Quincy merchants are sending out publicity for "pay up" week. In various ways they are going to urge their customers to pay their accounts. This may not be as popular with the customers as are some other special weeks, but the results may be made very gratifying to the business men.

Jacksonville Kiwanians recently gave proof of what can be done with money if it is only put into circulation. A \$2 check passed thru the hands of 15 merchants

of the Kiwanis group in a few days' time, paying obligations to the amount of \$36.

If the whole system of credit could be done away with it would eventually result to the benefit of the consumers, for business could be done on less margin. As it is, the merchant who does a credit business must charge enough for his goods to cover the losses sustained thru bad accounts.

THE LOSSES IN BUSINESS.

The farmer has suffered severe losses in the slump of prices of the commodities in which he is most interested and is deserving of all the aid that can be given. Unfortunately the farmer seems to feel that he alone has suffered. Some study of the financial statements of big business enterprises would afford conspicuous proof of the losses that general business has sustained.

Some of the big firms considered as especially well managed and as examples of business efficiency, have sustained enormous losses. Their condition gives point to the unfairness of present surtax practices. In the days of prosperity these firms were compelled to pay in taxes as high as 65 per cent of their earnings. Then in another year the big losses have come and while no tax will be collected the government which shared so largely in the profit bears no share in the losses.

THE AMERICAN COMMONWEALTH'S FRIEND.

The late Viscount Bryce will hold a place in history with Edmund Burke and William Pitt as an Englishman who did his utmost to bring his countrymen to a higher appreciation of America and American institutions," declares the Republican Publicity Association.

Although Mr. Bryce was termed "the most versatile Englishman," his chief interest seems to have been a study of the United States and the causes of our phenomenal growth and prosperity.

As early as 1853 he began an extensive course of readings of America, but it was not until seventeen years later, 1870, that he paid his first visit to this country.

He was elected to the House of Commons in 1880, and during his 22 years of parliamentary life that followed, Mr. Bryce had frequent occasion to promote friendly feeling between the United States and Great Britain. In 1907 he was appointed Ambassador to the United States, and for five years he was highly successful in promoting cordial relations between this country, Great Britain and Canada.

"Viscount Bryce was the author of various books of history and of comments upon the customs of countries which he had visited. His best known work is 'The American Commonwealth,' published in 1888 which is considered an authority on our Constitution and political institutions. It is accepted as a standard textbook in American schools of higher learning, although it never occurred to Mr. Bryce that it would be widely read on this side of the Atlantic. It was intended by him as another effort to bring the British public to a more sympathetic view of America.

"I wrote it for Europeans," said the author in addressing a recent Pilgrim society dinner, "for those benighted Europeans who did not know what America was and what she would become. And the book really was written by yourselves. It was put together out of many conversations I had not only with statesmen, but at dinner

parties, on the decks of steamships, in smoking cars, with drivers of wagons on western prairies, with ward politicians and city bosses."

If the whole system of credit could be done away with it would eventually result to the benefit of the consumers, for business could be done on less margin. As it is, the merchant who does a credit business must charge enough for his goods to cover the losses sustained thru bad accounts.

Baldard.

Miss Mabel Ballard, aged forty-three years died at a local hospital Friday evening at 7:40. The remains were taken to the undertaking parlors of J. H. O'Donnell and prepared for burial. The body was sent to Greenfield. Saturday afternoon and funeral services will be held there today.

Streuter.

Mrs. Emma Propst Streuter died at her home at 128 East Oak street, Jacksonville, at 11:30 Saturday morning. The body was taken to the Gillham Funeral Home and prepared for burial, which will take place Tuesday afternoon and Rev. C. D. Robertson of the Centenary church, will officiate. Interment will be in Jacksonville cemetery.

Decedent was born April 26, 1863, and was the daughter of Mr. and Mrs. Chris. Propst. She is survived by her husband and two sisters, Mrs. Frank Garland and Mrs. William Wilkinson, both of Jacksonville.

Mrs. Streuter was a member of Centenary church.

Burnett.

The death of Mrs. Thomas Burnett occurred Friday evening at 6 o'clock at the Baptist hospital in St. Louis, following an illness of several weeks. The decedent was 58 years old and had made her home here in Jacksonville, practically all her life. Just recently she went to Granite City, where she resided with a son, Lee Burnett. Her husband preceded her in death, passing away last spring. They resided while here in Jacksonville, on East Chambers street.

The body was brought to Jacksonville Saturday evening and taken to the undertaking parlors of Williamson and son, from which place the funeral services will be held today at 2 o'clock and interment will be in Jacksonville cemetery. Rev. C. D. Robertson will have charge of the funeral.

The surviving members of the family are a daughter, Miss Birde of St. Louis; Lee of Granite City; Frank, of Decatur, and T. E. Burnett of Christopher, Ill.

Myers.

The death of Fred Myers of Quincy, Ill., occurred at a local hospital here at 6 o'clock Friday evening. The remains were removed to the undertaking parlors of J. H. O'Donnell and prepared for burial. Burial was made at 2 o'clock Saturday afternoon at Diamond Grove cemetery and brief funeral services were held.

John Meyers, a nephew of the deceased, was present to attend the funeral.

Cridland.

Joseph Cridland died at a local hospital at about midnight Saturday after several months illness. The deceased was born in England 79 years ago. On leaving the land of his nativity decedent emigrated to Canada after which he came to the United States, settling in Morgan county, Illinois, where he was a resident for more than fifty years.

The nearest surviving relative is James Cridland of this city, a nephew. Mrs. Cridland passed away nearly two years ago. There were no children from their marriage.

The body was taken to the Gillham Funeral Home. Arrangements for the funeral have not been made.

Green.

A telegram was received Saturday by Miss Alice Green announcing the death of her uncle, Oliver S. Green, who had been ill for a long period. The deceased lived here for a period of years and was well known to many of the older residents of the city and county. Mr. Green was engaged in the livestock business and for a long period was associated with the work at the Union Stock Yards.

The remains are to be brought here from Chicago Tuesday night and will be taken to the Reynolds mortuary.

GOSAVANT TO PASSAVANT

Passavant hospital the past week was in receipt of a check for \$120 from friends of the hospital living in Winchester. The money has been used to pay for a Troy electric washer which has been fully installed and is proving most satisfactory. Such gifts are greatly appreciated by the hospital management.

Not long since the Elks lodge of Jacksonville sent a check to Passavant for \$300. This was in fulfillment of a promise the Elks made some time ago to furnish a room at the hospital, and the money will be used for this purpose.

"PATRIOTISM AND INTERNATIONALISM"

Prof. E. C. Hayes, head of the department of Sociology of the University of Illinois, will speak on "Patriotism and Internationalism" at the Community Forum this evening. Question period.

You'll like it at the Congregational church.

Mrs. Glenn W. Howard, who has been ill for a period of months, is accounted in serious condition at her home, 107 West College street.

CITY AND COUNTY

Ross Seymour was a business caller in the city yesterday from Franklin.

Mr. and Mrs. Percy Owens of Springfield, are spending the week end with Jacksonville friends.

J. Bart Johnson returned yesterday from a business trip of several days in Chicago.

Mrs. Spencer Smith and Mrs. Oscar Reams were local callers yesterday from Concord.

Mrs. Rose Clark and son, Eugene, Mr. and Mrs. William Fischer and son, William, Jr., were among residents of Chapin who called in the city yesterday.

Mrs. Gustav Onken of Chapin, and daughter, Mrs. Bernard Allen of Versailles, were among Saturday shoppers here.

Mr. and Mrs. Lloyd Wimmer of Franklin, are visiting in the city as the guests of friends.

Thomas Smith and daughter, Ruby, of Pisgah, were shopping in the city yesterday.

Louis Wiley and Mr. and Mrs. Newton Woods motored to the city yesterday from Franklin.

CLOSING OUT SALE

Livestock and implements at farm, 1 mile east and 1 mile south of Alexander, February 7.

HAROLD STRAWN

Mr. and Mrs. George W. Robinson of Orleans, made a visit in Jacksonville Saturday.

Mrs. D. L. Harris was a shopper yesterday from Roodhouse.

Mrs. Coy Stice of Ashland, made a trip to the city yesterday.

Miss Nellie Morgan is spending the week-end with relatives in White Hall.

H. M. Piper of Jo Prairie, was in the city yesterday and accompanied his wife, who has been a Mrs. Harry Wilkinson of patient at Passavant hospital, to her home.

Dwight Seymour was a business caller in the city yesterday from Franklin.

WITH MORGAN COUNTY POETS

DE GOOD LAWD

MAKES US WHITE
Peahs to me, may honey chiles!
Dun busted up his heart,
Come on heah, my ill lamb,
Who's pulled its strings apart?

Tell me now, mah honey chile
What troubles has yo' got
Bless yo' heart, don't cry so hard,
What makes yo' so upset?

You say dem white chilums
says yo's black
From finger to toe;
An' dat yo' soul is black inside,
Wah, honey!!! Dat ain't so.

De' good Lawd made us black
outside
An' he sho' made us right
Our skin is that more useful
Than all that skin 'ats white.

But when we's free 'wif dis heah
skin,
Dey puts it out o' sight
An' den' if we's good enough
De' good Lawd makes us white.

—E. Bernice Wood.

THE PRODIGAL SON IS THEME OF SERMON

Dr. E. E. Violette Delivers Strong Sermon Saturday Night at Winchester Church — Other Winchester News.

Winchester, Jan. 28.—The Saturday night union revival services were well attended and the interest which has been shown in previous meetings was fully maintained. Dr. Violette's theme was "The Prodigal Son" and he made a strong appeal for religious living. A duet by Mrs. Gertrude Deinhardt and C. W. Smith was a feature of the music of the service.

The plans for Sunday include a mass meeting at 3 o'clock in the afternoon and a meeting at 7:15 in the evening. The attendance at both of these services will probably be large, as interest in the series has grown from day to day and the attendance has been large throughout the week.

A large number of young people enjoyed skating the past week on the old mill pond in the north-west part of town.

Morton Abbott returned Friday night from St. Louis, joining his wife and daughter here for a few days' visit, after which they will return to their home in Naples.

Nathan Wallace and family have rented the country home of Mrs. Renaah Campbell.

Mr. and Mrs. Earl Rogers of Beardstown arrived Saturday for a short visit with relatives here.

Lee Overton has been confined to his home the past week by illness.

C. A. Hazelrigg has returned from Decatur, where he has been visiting his son Frank and family.

Raymond Funk, who is attending Washington U., at St. Louis, arrived Friday for a week end visit with home folks.

MOSCOW BAY COMPANY ELECTS OFFICERS

The stockholders of the Moscow Bay Co., held an annual meeting Saturday at the Ayers National bank. Routine business was transacted and a committee was appointed for revision of the by-laws.

The committee includes W. L. Fay, J. J. Reeve and F. L. Sharpe. The election of officers resulted in the choice of the following:

President—F. L. Sharpe.

Vice president—George Orear.

Secretary—W. L. Fay.

Treasurer—H. K. Chenoweth.

ESKIMO PIE

The candy way of eating ice cream. A food, not a fad. Buy it any place you see the sign, Eskimo Pie.

MADE ONLY AT MERRIGAN'S

Will Bring All Charitable Agencies Under One Directing Head in Order to Avoid Overlapping of Efforts—Other White Hall News.

White Hall, Jan. 27.—Following a conference during the week between J. N. Schier, supervisor; Miss Ethel Settro, community nurse, and Miss Ruth Evans, junior high school principal, it has been decided to bring all the charitable agencies of the community under one directing head in order to avoid overlapping of efforts and consequent misdirection of the full charitable service of the community. To this end a meeting of all charity workers and representatives of charitable organizations are called to meet in the city hall next Monday evening at 7:30 for the purpose of bringing all these forces under one directing head in order that much better results may be obtained in the dissemination of food, clothing and other things turned into these charitable bodies.

BEGIN RAISING NEW LAMB CROP

University Head of Animal Husbandry Department Says Should Start Now—Give Ewes Plenty of Exercise.

URBANA, Ill.—By the Associated Press.—Now is the time to begin raising next year's lamb crop of getting breeding ewes in good condition, according to the Animal Husbandry at the University of Illinois, the Department says.

"These animals are not able to develop the best lambs. Ewes are more apt to breed and produce good, strong, vigorous lambs if they are gaining weight at this season. To do this feed good legume hay and a small amount of grain each day.

"There is no better way to handle pregnant ewes in Illinois than to allow them to glean over pastures, stubble fields, and corn fields. They will get plenty of exercise and much of their feed in this way, and if, in addition, they are fed some alfalfa, clover, soybean or similar hay, along with about five pounds of grain per head daily, they will be in good condition to produce and nurse lambs. Good silage to the extent of three or four pounds per head each day is satisfactory. Pregnant ewes need abundant protein, and corn should not be fed in large amounts to any but very thin ewes.

"Feeder lambs may be fattened in dry lot on a ration of corn and alfalfa or clover hay. Fed to good feeder lambs at the rate of about 1 to 1 1/2 pounds of corn and 1.5 pounds of alfalfa or clover hay per lamb daily. This ration will produce about 3 pounds of grain per day and will put lambs in prime condition in 85 or 90 days. Silage and oil meal make good additions to this ration but may increase the cost.

Sheep require salt and fresh water at all times.

RESEARCH WILL HELP AGRICULTURE

URBANA, Ill.—(By the A. P.)—The greatest service of the University of Illinois to the agriculture of the state in the future as now will be in the field of research, Dean Eugene Davenport, head of the university's college of agriculture, told the state agricultural conference here recently.

Dean Davenport pointed out that chemistry has been the one science above all others that has served agriculture in the past. "Now, however, we are entering a new Era," he said, "and the problems needing solution are so many, so varied, and so complicated that both physicians and physiologists will need to be invoked for their solution.

"A new agriculture is developing about us and with great rapidity," he added. "It will rest largely upon economic basis, and the application of the principles of economics to agriculture, both as a business of the individual farmer and as a national industry, will occupy attention in the coming days as never before.

"Chicago will soon be an ocean port communicating not only with the Atlantic but with the Gulf of Mexico. This will mean an industrial development which of itself will greatly change the agriculture of the upper Mississippi valley."

HAVE MOST STUDENTS AS TO POPULATION

CHICAGO.—By the A. P.—Oregon, Iowa and Utah have the largest number of students in college to their respective populations and Tennessee has the lowest proportion, with Arkansas and New Mexico closest, following Tennessee, Dr. George F. Zook of the United States Bureau of Education told the Association of American Colleges here. Dr. Zook stated that he obtained this information from statistics compiled for the last full college year of 1921.

"The statistics also reveal that the western states of California, Oregon and Utah take care of a larger proportion of their students in their own colleges and universities than any other states," continued Dr. Zook. "New Jersey brings up the rear with only 18 per cent of her students in New Jersey institutions, and Connecticut follows with 35.6 per cent.

"On the other hand, the Eastern states of New Hampshire, Connecticut, Maryland, New Jersey, and Massachusetts contain the institutions that draw the most powerfully from other states. Indeed the higher institutions in these states are training a larger number of non-residents than they are of citizens of their respective states."

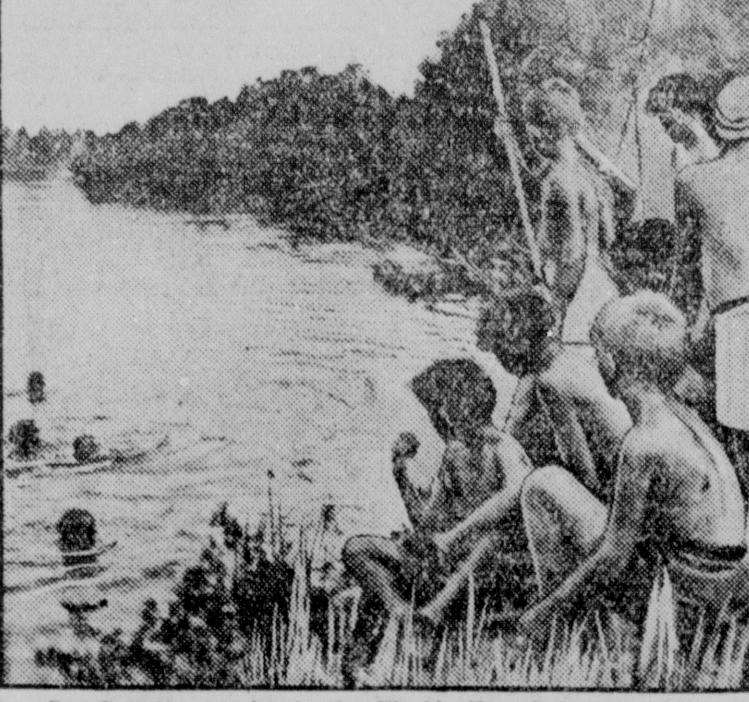

Dr. Zook also announced that the attendance at universities, colleges, and professional schools last year reached 470,600, which is a gain of 36 per cent over the attendance in the war year of 1917-18.

Accurate figures of foreign students in American colleges and universities were also supplied by Dr. Zook, the total being 6,900. China leads with 1,443 students and Canada is second with 1,294. Other countries are as follows: Japan, 525; South American countries, 563; Russia 290; India, 233.

Mr. and Mrs. Harry Thompson were local callers yesterday from east of the city.

Mr. and Mrs. Ed Bingman were among arrivals in the city yesterday from Pisgah.

Cold? Ah, But This Is Florida

Boy Scouts, camping in the Florida Everglades near Musa Isle, go swimming every day, while their northern comrades sled and skate and frolic in the snow.

THEATER ROOF COLLAPSES; MANY DEAD

(Continued from Page One.)

ELLA UNDERWOOD, slightly injured; Mrs. Mattie Scowab, slightly injured; Mrs. Bernard Bresslau, both shoulders.

THEATER JUST INSPECTED.

The management of the theater which was owned and operated by the Harry M. Crandall Company, owner of a number of theaters in the city declared that the building only recently had been inspected and approved and that the collapse of the roof could have been caused by the tremendous weight imposed by the heaviest snowfall that has visited Washington since 1919.

The roof fell with such force as to drive three concrete pillars thru the orchestra floor. Up near the stage, however, the force was arrested so that the platform successfully acted as a buffer. For this reason it was said several of the musicians escaped.

One case was observed of a small boy crawling thru a small aperture in the tangled mass of concrete steel and wood to a man, woman and child who were pinned down and giving them water.

At the night wore on the work of rescue continued feverishly but some officials expressed doubt if the debris could be completely removed for several days.

BANDITS WOUND POLICE LIEUTENANT

(By the Associated Press)

WEST HOBOKEN, N. J., Jan. 28.—Bandits today shot and seriously wounded police Lieutenant Harms, guarding a North Hudson National Bank messenger, fired a dozen shots at the messenger when he fled and escaped with a bag containing \$21,000.

The money was being carried by the messenger to the West Hoboken postoffice for safekeeping until Monday, when it was to have been taken to the Federal Reserve Bank in New York. The police department after a custom of long standing detailed Lieutenant Harms as guard.

Harms, it was said as the hospital tonight, had a slight chance for recovery.

DISCOVER ANCIENT BELLES JEWELRY

BERLIN, Jan. 25.—Necklaces of wolves and dogs' teeth were among the relics of the early stone age reported to have just been discovered in Westphalia, near Henglarn, by scientific investigators. A stone chest containing stone vessels was unearthed.

MANY REFUGEES IN CONSTANTINOPLE

CONSTANTINOPLE, Jan. 25.—Fifteen thousand Greek and Armenian refugees are being served from this city to the island of Cyprus in ships provided by the Greek government. Twenty thousand other refugees are awaiting transportation but the French authorities are persuading Christians not to go as they have secured formal guarantees that the Turks will respect their lives and property.

ILLINOIS RIFLEMEN SCHEDULE SHOOTS.

URBANA, Ill.—(By the A. P.) Illinois' cavalry riflemen will be scheduled in range shooting with the University of New Mexico, February 18, the University of Virginia, March 11, and Lehigh University, March 18. The firing will be done at each school by the selected teams, ten men to a side and under the supervision of a regular army officer. The results will be announced by telegraph.

MANY UNIVERSITY MEN IN ROCKFORD

Rockford, Ill.—By the A. P.—There are more than 17,000 university men in Rockford, according to an estimate by Senator H. S. Hicks of this city, the new president of the University club, who inaugurated a drive for at least 500 members. The club holds monthly "smokers" at which prominent men are heard.

Miss Mae Craig was a visitor in the city yesterday from Albany.

Fred Duckwall of Lynnville made a business visit in Jacksonville yesterday.

W. E. Crane, president of the Illinois Steel Bridge Co., came to Jacksonville last night to remain over Monday and attend the annual meeting of the stockholders of the Bridge Co.

MARTIAL LAW IS TO BE PUT INTO EFFECT AT ONCE

Nebraska Governor Takes Steps to Maintain Order

(By The Associated Press)

NEBRASKA CITY, Neb., Jan. 28.—Military authorities were preparing early tonight to put into force martial law proclaimed today by Governor McElvane in the four mile precinct. The proclamation followed a request last night from local authorities for aid in restoring order following recent clashes between striking packing house workers and alleged strike breakers and sympathizers.

General military headquarters have been established in the court house here with Lieutenant Colonel R. G. Douglas in command.

Troops began arriving here at two o'clock this evening and the last of them arrived tonight. There are about 500 national guardmen here tonight.

Little interest was manifest in the arrival of the guardmen, either by citizens or striking packing house workers. A rumor current here all day that packing house employees would make another trip to a motion picture show tonight was dispelled by packing house authorities who say that orders have been given for the men to stay in their quarters tonight.

A trip to the show Wednesday night by workers resulted in a street fight between them and striking employees of the packing plants in which several men are said to have been injured.

STORM GIVES WORK TO JOBLESS

(By The Associated Press)

NEW YORK, Jan. 28.—Unemployed men who wanted jobs and could get them tonight, sweeping snow from the pavements of New York covered with a white layer by a swirling storm that darkened the city from noon onward. The 7,000 men in the street cleaning department were immediately called out and Street Cleaning Commissioner Taylor announced he would hire all others available.

The storm did not come up to expectations here after all the advance notices it received, but there was enough snow to delay traffic both in the harbor and on the streets. The weather bureau said there might be five to eight inches by morning.

Health Commissioner Copeland said he feared the change would increase the spread of influenza and pneumonia.

J. G. Dowell of Franklin has occasion to come to the city yesterday.

One Face Powder Better than a dozen

The lady who is keen enough in her intelligence regarding face powders to select one that is perfectly adaptable to her skin texture finds better preference, in the one than she would in a dozen others. Experience is a great thing to draw from and we can draw from experience and study of skins and face powders in advising you exactly which face powder will suit your purposes best. Why not give us a chance to prove this claim? If, of course, you want any favorite face powder, ask us for it because we have it.

SMALL TOWN STUFF CAUSES DOWNFALL

FOOTBALL RIVALRY RESULTS IN PLAYING OF \$100,000 GAME

Carlinville Tries to Put One Over on Taylorville—Latter Gets Wise and Cleans Up
Macoupin County—Supporters of Teams Bet Everything But Their Houses on Game

(By the Associated Press)

CHICAGO, 28.—The bitter rivalry between two country towns which became so acute that approximately \$100,000 was bet on a football game, was the real cause of the athletic scandal which resulted in disqualification last night of nine University of Illinois athletes and which threatens to reach into Notre Dame University.

A group of citizens of Carlinville, Illinois, it was learned tonight, decided last fall to financially "clean out" the rival town of Taylorville, Illinois, by obtaining ten college stars to play on their football team, and with victory apparently assured, to bet the limit on the annual contest between the two elevens.

But Taylorville learned of the plan, obtained nine college stars for its own team and not only defeated Carlinville but won close to \$50,000 by covering every Carlinville bet made, thus beating the rival town at its own game.

Ten Notre Dame players were in the Carlinville lineup, according to statements by citizens of that town, while the nine Illinois men disqualified last night, played on the Taylorville eleven. In the Carlinville lineup, according to persons associated with the team, were Gus Desch, member of the American Olympic team and world champion 440 yard hurdler; Chester Wynne, selected by some as all-Western conference full-back and John Mohardt, all-American selection of several football writers. All played on the Notre Dame eleven last fall.

In 1920 Carlinville won from Taylorville, 10 to 7, at Carlinville. Taylorville at that time loudly boasted that next year, with their team on its home ground there would be a different story.

Carlinville Loads Up.
Consternation spread thru Taylorville at the idea of sending their team against nationally known college players. Then, a few citizens decided to seek a little college aid themselves.

Quietly the word was passed around not to fear Carlinville—that a means of defeating their rival's plans had been found. When the time for the game came, a group of Carlinville citizens began checking up over in one corner of the field. They found that their citizens had bet close to \$50,000. Over in another section some Taylorville citizens reached the same conclusion.

When the Carlinville eleven

came on the field the visiting rooters rose to cheer.

"What are we yelling for? That's the Taylorville team," said a Carlinville woman.

"Oh, no, that's Carlinville," replied a Taylorville policeman.

"I guess I know our boys and not one of these fellows is from Carlinville," indignantly replied the woman.

Stars Then Twinkle.

Taylorville in the first half used its regular home team. At the end of the half, Taylorville led, 7 to 0. Then out on the field trotted nine stars from the University of Illinois. They had been held under cover for the first two periods.

Little Sterneman ran circles around the Carlinville ends. Jack Crangle plunged thru the line and Larry Walquist, forward, passed for big gains. The game ended with Taylorville winners, 16 to 0, fifty thousand dollars in cash to the good, and Carlinville out an equal sum.

Bert Wilson, grocery store owner at Carlinville tonight said that Carlinville had no hard feelings against Taylorville over the game.

"We got beat at our own game," he said. "Perhaps we'll win next year."

No Decision Yet.

CHAMPAIGN, Ill., Jan. 28.—Pending action by the eligibility committee of the University of Illinois faculty the nine athletes accused of having taken part in a professional game at Taylorville will not be permitted to engage in college sports.

G. Huff, director of athletics at the university tonight made clear the status of the students.

Asked if they had been declared ineligible, he said they had not. Asked if they would be permitted to take part in events, he said they would not; that they were temporarily suspended pending action of the committee. Asked when the committee would make its ruling, he said he did not know.

Players Deny Charges.

SOUTH BEND, Ind., Jan. 28.—Athletic Director E. O. Stiehm of Indiana University, today commended Illinois for its action in barring nine football players

suspended for professionalism. Stiehm also expressed the opinion that the rule against college athletes receiving money for playing summer baseball should be modified. His statement follows:

"I heartily seconded the hope expressed by Coach Zuppke at Illinois that a general cleanup in western conference schools will follow. The spirit and letter of the rules should be observed or the rules should be scrapped. Illinois is to be commended for its step."

"The system of protest as it is now used, is not satisfactory and leads to much ill-feeling between schools. I favor a system by which a school when it receives information concerning the ineligibility of players at other institutions would refer the matter to the schools involved for investigation and settlement rather than carry it to the conference committee as a protest."

"Athletes who have played summer baseball should, of course, be included in a general clean-up. They have violated the present rule. I believe that students should be allowed to play baseball for money during the summer so long as they obtain previous permission from their school authorities and do not play in an organized league."

Make It Unanimous!

Ridicules Report.
URBANA, Ill., Jan. 28.—(By the A. P.)—Grover Hoover, coach of the Taylorville team on which the nine University of Illinois athletes disqualified, played last November tonight in a statement declared that colleges were unfair to their men and charged that representatives of the University of Illinois procured professional athletes for its teams and then "fired them when they played for someone else."

"Dope" Simpson, one of the Illinois men disqualified for playing here, is a resident of this town," said Hoover.

"A representative of the University of Illinois came here and saw 'Dope' play. He made overtures to the lad offering inducements for him to enter Illinois, altho he knew at the time Simpson had and still was playing professional ball."

"These boys did nothing wrong. They came down here to help us out. It's the school system that's wrong and not the boys."

Dick Simpson, manager of the team and "Dope's" brother, in another statement confirmed Hoover's assertions and made similar charges.

Ridicules Report.

URBANA, Ill., Jan. 28.—(By the A. P.)—Robert Zuppke, football coach at the University of Illinois, tonight denied that overtures had been made to "Dope" Simpson of to any other football player to enter the university.

Simpson was a freshman last year, but did not play on the freshman team and no one even knew he was in school so far as football was concerned," said Mr. Zuppke. "If he ever played professional ball before the Taylorville game, I never heard of it. Furthermore, he's only a mediocre player and certainly no one would pay him to come to college."

"To my knowledge, the University of Illinois has never used

any influence to persuade a man to come here."

Notre Dame Stands Probe.
SOUTH BEND, Ind., Jan. 28.—A thorough investigation into charges that Notre Dame University athletes participated in a professional football game at Taylorville, Ill., last November 27 was begun today by Notre Dame Athletic Board.

The following statement was issued by Father William Carey president of the board.

"The board is investigating the report published in Saturday's press and will issue a full report of its findings after a complete investigation."

Play's Not From Carlinville.

Taylorville in the first half used its regular home team. At the end of the half, Taylorville led, 7 to 0. Then out on the field trotted nine stars from the University of Illinois. They had been held under cover for the first two periods.

Stars Then Twinkle.

Taylorville in the first half used its regular home team. At the end of the half, Taylorville led, 7 to 0. Then out on the field trotted nine stars from the University of Illinois. They had been held under cover for the first two periods.

Looking like a different aggregation than that which played in the Monmouth game, the Illinois College basketball team got sweet revenge on Eureka last night for the defeat given her a year ago.

Following the Wesleyan game,

Coach Harmon shoved Dale into a forward position. The big boy from Dixon was understanding Captain Mellon at center, however he played forward like a man always used to the job. In addition to that he seemed to instill new life and pep into the entire team.

In the Eureka game he continued his good work and made life miserable for Eureka's guards.

He followed up shots in great shape and Captain Mellon again got the fever and tossed seven field

baskets.

One of the bright spots in Illinois' play last night was the work of Burrus.

This boy had never tackled the basketball game until he came to Illinois. His work last night was a revelation and showed that he acquired some good knowledge in the games with Wesleyan and Illinois Normal and he put it to good use. In fact the entire squad played sterling basketball and if they continue their present tough argument when she plays the return game here.

Whittier did the best work for Eureka and the big fellow did some excellent work on both offense and defense. However, he was found the going hard and was compelled for the most part to shoot from the middle of the floor or from difficult angles.

The score at the end of the first half was 19 to 11. In the second half Illinois again scored 19 while Eureka was held to seven points.

The score.

Illinois—F.G. F.T. Tls.

Antrobus, f. 6 2 14

Farrell, f. 0 0 0

Mellon, c. 7 0 14

Cully, g. 1 0 2

Burrus, g. 0 0 0

Desch and Chester Wynne.

Both Mohardt and Desch declared they were on the Notre Dame campus on November 27, and added the story implicating them was an attempt to injure the athletic reputation of the university.

Wynne, it was said told Coach Knute Rockne of Notre Dame that he did not play.

Coach Rockne had said:

"Illinois has had two months to probe this matter and the only information that has come to Notre Dame has been the stories of The Associated Press. These stories implicated Mohardt, Desch and Wynne, and all have denied the implication absolutely. We can only give these boys a fair chance and investigate their cases thoroughly and demand a retraction if the charges are proved untrue."

INCOME TAX FACTS

Thousands of letters have been received by the Bureau of Internal Revenue relative to changes in revenue legislation. Taxpayers desire to know the benefits to which they are entitled under the revenue act of 1921 by way of increased exemptions, lowered surtaxes, and allowances for deductions for business expenses, losses, contributions and bad debts.

The purpose of the Bureau of Internal Revenue is to answer the questions presented in a series of newspaper statements, of which this is the first. Taxpayers are advised to preserve the articles as they appear, in order that they may begin preparation of their income-tax returns for the year 1921 they may have before them a comprehensive summary of the requirements of the new revenue act.

To the person of moderate income, probably the most important change is in the exemptions or credits. Under the revenue act of 1921 a married person or head of a family whose net income for 1921 was \$5,000 or less is allowed a personal exemption of \$2,500. If the net income is more than \$5,000, the personal exemption is \$2,000. The exemption allowed a married person or head of a family under the revenue act of 1918 was \$2,000, regardless of the amount of net income. Exemptions for dependents are also increased from \$200 to \$400. Thus, a married man with three children, whose net income for 1921 was \$4,000 will pay this year an income tax of \$12. On the same income for 1920 he paid a tax of \$56.

Husband and wife living together receive but one personal exemption (\$2,500 or \$2,000 as the case may be). If they make separate returns, the exemption may be taken by either or divided between them.

Normal Tax.

To overcome the disparity in the normal tax in the case of two taxpayers, one of whom is just within the lower exemption of \$2,000 (applying to income of more than \$5,000) and the other just within the higher exemption of \$2,500 (applying to more than \$5,000 or less), the law provides that the reduction of the personal exemption for married persons and heads of families from \$2,500 to \$2,000 in such cases shall not operate to increase the tax which would be payable if the exemption were \$2,500 by more than the amount of net income in excess of \$5,000. For example, a married man had a net income for 1921 of \$5,006. Without the benefit of the above provision, his tax, assuming he had no dependents, would be \$120.24 (\$5,006 less \$2,000 equaling \$3,006 at 4 percent). His actual tax is \$106.24, (\$5,006 less \$2,500 equaling \$2,506 at 4 percent, or \$106.24 plus \$6, the amount by which his net income exceeds \$5,000).

There is no change in the exemption of \$1,000 granted a single person or a married person not living with husband or wife. Nonresident aliens are allowed a specific exemption of \$1,000 regardless of their marital status, and are allowed no exemption for dependents.

The normal tax of 4 percent on the first \$4,000 of net income above the exemptions and \$8 per cent remains unchanged. This applies to citizens and residents of the United States, alien non-residents receiving income from sources within the United States are taxed to the full 8 percent on income from such sources.

Surtax Rates.

Taxpayers are reminded that the surtax rates, which apply only to net income in excess of \$5,000, also are unchanged for the year 1921. Letters received by the bureau indicate the impression in the minds of the writers that the lowered surtax rates are applicable to net income for the calendar year 1921. Under the revenue act of 1921, the surtax rates for that year range from 1 per cent on the amount of net income between \$5,000 and \$6,000 to 65 per cent on the amount of net income in excess of \$1,000,000. For the calendar year 1922 the surtax rates range from 1 per cent on the amount of net income between \$6,000 and \$10,000 to 50 per cent by which the net income exceeds \$200,000.

The period for filing returns (if the taxpayer makes return on the calendar year basis) is from January 1 to March 15, 1922. This year, as last, the tax must be paid in full at the time of filing the return, or in four installments due on or before March 15, June 15, September 15, and December 15. Forms 1040A for incomes of \$5,000 and less, and 1040 for incomes in excess of \$5,000, will be sent to persons who last year filed returns of 1920 income. Failure to receive a form, however, does not relieve the taxpayer of his obligation to file a return and pay within the time prescribed. Copies of these forms may be obtained at the offices of collectors of internal revenue, branch offices, and banks.

The return, sworn to before a notary or other person authorized to administer an oath, must be filed with the collector of internal revenue for the district in which the taxpayer lives, or has his principal place of business.

Revenue officers will visit every county in the United States to aid taxpayers in making out their returns. Announcement of their arrival and the location of their offices will be made by collectors through the press. The services heretofore offered by city residents will be continued.

Revenue officers will visit every county in the United States to aid taxpayers in making out their returns. Announcement of their arrival and the location of their offices will be made by collectors through the press. The services heretofore offered by city residents will be continued.

BUSINESS CHANGES SOON EFFECTIVE

Furry & Sons to Remove to Park Hotel Building—Edwin Smart Shoe Company Will Occupy West Side Building.

The firm of Furry & Sons is to move soon from the west side of the square to the corner room of the Park hotel building on the north side. Furry & Sons several weeks ago purchased the stock of Miller Bros. with the intention at that time of relocating it to another location at an early date, as the west side building has been leased from February 1 to Edwin Smart Shoe Co. As soon as some betterments are made in the building, the Smart Shoe Co. will remove from the present location in the Farrell Bank building.

The company, however, has the Farrell Bank building room still under lease. The new location was chosen because of the need of additional space and the prospect that the bank building will be supplanted by a new structure in the course of the next year or two.

At present the shoe company has extensive stock stored in rooms of the second floor of the bank building and the new location will afford much more convenient arrangement of the stock.

Some years ago Schmalz & Sons occupied the north side room which Furry & Sons have secured.

FARM BUREAU NOTES

Utility Type of Corn.—White at the Conference at Urbana, we saw the ten ears of corn that won the championship at the International Show at Chicago. This corn was of the rough type of Reids Yellow Dent and was certainly showy. The Grand Championship ears were also shown. This was also of the rough type. The corn that won first in the sweepstakes utility class was shown by Sommer Bros., of Pekin, Ill. The man that judged our corn at the Junior Corn Show was there to hear the award. This utility type is not so attractive as the rough type that you at the international but is corn that outyields the rough type, according to testimony of the experimenters. The reason the rough type won at Chicago is said to be due to the fact that the judges were from Indiana and favorable to the rough type rather than the utility type.

Testing Seed Corn.—The new test requires a careful selection according to physical characteristics and then a germination test using ten kernels from different parts of the ear. The seedling shows whether or not the corn is diseased. In making this germination test they are using a modified rag doll tester. Farmers who are interested in culturing diseased free seed ought to send to Farmers Bulletin, 1175, Farmers Marketing Organization.

WEDNESDAY, FEB. 1

IS YOUR HOME SANITARY?

A sanitary home insures a healthy family.

Nothing is so dangerous to the household as poor plumbing or the lack of sanitary equipment.

There is no excuse, during these modern times, to deny yourself and family the advantages of a well equipped bathroom. Good fixtures, at a reasonable cost, are within reach of all.

Fruit Pruning Demonstration.—The fruit pruning demonstration given at R. L. Harneys by Dan Baldwin was very favorably received by those present. The weather man was against a large gathering but those present were amply repaid for the time spent.

The meeting was in charge of Mr. Rucker who states that Mr. Baldwin is on his job.

Seed Day.—The Farm Bureau expects to observe Saturday, February 4th as Seed Day. Every farmer in the county who has a salable clover seed, oats or soybeans is invited to bring a representative sample to the Farm Bureau Office and meet prospective buyers face to face. We are also extending a general invitation to those who want to buy seed from their neighbors to come to the office that day and settle the matter without delay. We hope they will come whether they want to buy anything or not.

ALEXANDER
DEATH OF AGED WOMAN
AT SUMMER HILL, ILL.

Word of the death of Mrs. Mary Bolin at her home in Summer Hill, Ill., was received Saturday by Mr. and Mrs. W. H. Garrison of 333 West College street. The death of Mrs. Bolin came at 11 o'clock Friday evening, the deceased being past eighty-four years of age.

Mrs. Bolin is survived by one son, Harry Bolin and by the following grandchildren: Mrs. Gladys Brant, of St. Louis; Paul Bolin of Summer Hill; Edna Bolin and Harry Kume.

A number of Alexander people attended the basketball game in Jacksonville Friday, among the number being Mr. and Mrs. Noel Wiley, and daughter, Mr. and Mrs. Luther Wiley and son, Louis Henry, William Colwell, Miss Margaret Jane Harrison, and Harry Kume.

William and John Colwell were Jacksonville visitors Saturday evening.

BOOK PARTY ENJOYED
AT WOODSON HOME

Members of the Woodson Household Science club enjoyed a book party Friday evening at the home of Mrs. Nettie Ezard. The husbands and families of the members were the guests of the evening and the hours were very pleasantly spent with progressive book. The high score was made by Mrs. Margaret Kitner and Mrs. Ben Smith.

The hostess was assisted in entertaining by Mrs. Maude Spangler. Delicious refreshments were served, consisting of oyster soup, sandwiches and coffee.

Basil Ator of Concord, was visiting relatives and friends in the city yesterday.

OAK LAWN READY TO RECEIVE PATIENTS

Tuberculosis Sanatorium Board Announces Opening of Institution Wednesday — Additional Rooms to Be Equipped as Funds Are Available.

Announcement was made several weeks ago by the Morgan county tuberculosis board that Oak Lawn sanatorium would be open about February 1. Yesterday Dr. T. O. Hardisty, secretary of the board, speaking for A. A. Curry, W. R. Turnbull and himself, as members of the board, made a definite statement that the institution will open next Wednesday.

Dr. Walter C. Marini will be the resident superintendent and his assistants will be Mrs. A. B. Weisman, R. N., in charge; Mrs. Agnes Shoemaker, nurse; Mrs. Annie Dawson, cook; Fred Thies, farmer.

The institution does not have the last word in equipment but nevertheless is sufficiently equipped to justify its opening and operation and further equipment will be provided as necessary demands and the funds permit.

While there are applications from adjoining counties and other outside areas in the beginning the sanatorium will be used for Morgan county cases exclusively. Thirteen beds are ready for use in this initial period of the work. This number may not be sufficient to take care of all the Morgan county cases but the funds are not available at this time for acquiring any additional equipment.

Applications On File.
A number of applications are already on file for admission but the board suggests that persons who are in need of the care which such an institution affords should make application at once. It will be the purpose of the board to select for care the cases where the need is the greatest.

The best information recorded indicates that it costs about \$3 per day to care for tuberculosis cases, and in some institutions the costs are even higher. In the Morgan county sanatorium there will be no charges to the citizens of the county, while those from outside the county will be charged not less than the cost of maintenance of the institution. Laundry and personal expenses are not provided for by the institution for either resident or non-resident patients.

The improvements at the sanatorium include the rebuilding of a house for the use of the farmer who will have charge of the hogs, cows, chickens and garden and take care of such other work as the board may direct.

A team of mules has been secured and the necessary tools are available for ordinary farm and garden operation. While it is not the desire of the board to devote time and money to farming operations in the situation as it exists the board feels that the present plan will help hold down the cost of operating the institution.

You can get "White Rock" Gas and Kerosene, in any quantities, delivered to your home in city or country. Call III. phone 1830.

**FRANKLIN CLUB HAS
ELECTION OF OFFICERS**

A business meeting of the Franklin Musical club was held Saturday afternoon at the home of Mrs. W. C. Calhoun. At this time the election of officers was held, resulting in the choice of the following:

President—Mrs. W. C. Calhoun.

Vice President—Mrs. Samuel Darley.

Secretary—Miss Grace Hill.

Treasurer—Miss Gussie Flynn.

Reporter and Librarian—Miss Dorothy Sargent.

Plans were discussed for the open meeting which is to be held at Marquette hall on Friday Feb. 10. At this time an ensemble program will be presented and will be one of very great merit.

Basil Ator of Concord, was visiting relatives and friends in the city yesterday.

STORY OF U. S. TREASURY TOLD BY COL. CLIFFORD

Assistant Secretary Gives Interesting Interview With William Mather Lewis of the United States Chamber of Commerce.

William Mather Lewis is now located in Washington connected with the U. S. Chamber of Commerce, in charge of the educational department. Mr. Lewis is quite well known in Jacksonville and for a number of years was member of the faculty of Illinois College. Afterward he was active in educational work at Lake Forest university and also served as Mayor of Lake Forest.

In the war period he was in government work. As a part of the educational program he is carrying out Mr. Lewis each week issues a letter which is read in boys' schools in various parts of the country. The past week Mr. Lewis used "The Treasury Department of the U. S." as the subject of his letter, which was based largely upon an interview with Col. Edward Clifford, assistant secretary of the treasury. The letter in a very interesting and concise way sums up the functions of the treasury department and is as follows:

Searching for the essential facts concerning the treasury department to present in this week's letter, I called upon Colonel Edward Clifford, assistant secretary of the treasury, a few days ago. Colonel Clifford, who stands high in the banking circles of Chicago, made an enviable record during the war as a finance officer in the army. He manifested a lively interest in the fact that a weekly letter relative to governmental affairs is being read in schools throughout the country and was most willing to make a statement relative to his department for this letter.

"The Treasury necessarily was one of the first creations of the Congress," said Secretary Clifford. "On September 2, 1789, Congress created the present Department, after other arrangements had proved to be inadequate, to handle the fiscal affairs of the new republic, and provided that it should be administered by the secretary of the treasury. That is the proud title which has been borne by a succession of distinguished men from Alexander Hamilton, the first secretary, to the present splendid secretary, Andrew W. Mellon.

"The outstanding and visible symbol of the treasury department is the great seal of the treasury. It is interesting to note that the seal still bears the inscription, 'Seal of the Treasury of North America.'

Three Assistants.

The secretary of the treasury has several assistants upon whom he relies to carry his policies into effect. For this purpose the law provides an under-secretary and three assistant secretaries. The under-secretary is S. P. Gilbert, Jr., and the assistant secretaries are Eliot Wadsworth and Elmer Dover and myself.

The Wednesday Social Club will meet with Mrs. J. R. Harney 209 So. Fayette, Wednesday afternoon, Feb. 1, at 2:30.

The Fortnightly will meet at 4 o'clock Thursday afternoon Feb. 2, with Miss Johnston at the Illinois Woman's college.

The Wednesday Social Club will meet with Mrs. J. R. Harney 209 So. Fayette, Wednesday afternoon, Feb. 1, at 2:30.

The W. C. T. U. will meet with Mrs. Anthony Brannon on East College avenue Tuesday afternoon at 2:30 o'clock. The program will be as printed in the Journal.

The History Class will meet Wednesday afternoon at 2:30 with Mrs. W. A. Fay, 930 West North Street.

WOODSON.

Mrs. Wendell Dugger of Scottville is visiting for a few days at the home of Dr. and Mrs. G. W. Miller.

Mr. and Mrs. Harry Goacher and children Mrs. Ruth Bishop and Miss Ruth Bell of Jacksonville will spend Sunday at the home of Mr. and Mrs. J. T. Self and family.

INCREASING NUMBER OF PUBLIC EMPLOYES MENACE TO COUNTRY

Former Governor Lowden Warns Against
the Creation of New Jobs—Says Will Soon
Divide the Population Into Two Classes—
Then Only a Step to Soviet Government

By The Associated Press

NILES, O., Jan. 28.—We shall not live up to full obligations of citizenship which McKinley so sacredly discharged unless we shall see to it in our respective communities that a correct public opinion upon all important questions of government shall be formed and made vocal, Frank O. Lowden, former Governor of Illinois said here tonight in addressing the McKinley Day Banquet.

"Without this public opinion no Republic can long endure," he continued.

Mr. Lowden commented on the increasing number of public employees and said: "Let the proportion of public employees continue to increase as rapidly as they have in late years and we will, within a reasonable time, witness this phenomenon; our population divided into two classes, those holding public office, a minority it is true, and all others working to support the minority in office. From that condition to the soviet form of government is but a single step.

"Whatever the nominal purpose of the keenest activities of public employees' organizations are directed toward an increase in pay. These organizations have come to be so powerful that they exercise a very great influence upon legislative bodies. To a large majority of our people still earn their own livelihood in private pursuits, the minority which derives its sustenance from the public treasury has become large enough, though as that minority is organized, to frighten city councils, state legislatures and even Congress into complying with their demands.

"The local municipality should be required to provide its own revenues for its own needs and should not be given aid by the state. Likewise, the state should be compelled to provide its own funds for purely state needs. Lastly, the federal government should appropriate only for those interests which are purely of national concern and clearly within object whatsoever in any com-

monality, we find the people of the state which the federal government is not seeking to invade by the use of the spacious phrase 'federal aid.'

Tasted Delights of Power.

"The bureaus in Washington tasted the delights of power over fields which before had been exclusively occupied by the states. Propaganda, that new-found weapon of all causes, good and bad, was employed to perpetuate these new powers. Federal aid, generally speaking, is a bribe offered to state governments to surrender their own proper functions. There is scarce a domain in the field of government properly belonging to the municipality of the state which the federal government is not seeking to invade by the use of the spacious phrase 'federal aid.'

"What has come to be known as 'pork barrel' legislation is generally condemned. However whenever it is proposed to extend it in favor of one's own constituency. Since, however, they have no influence in the election of members beyond their own district, this general condemnation is of no avail.

"If we can make the people of the several communities understand that while in any particular case the amount asked may be relatively small, if that amount is granted, innumerable other similar grants will be made and in the end the people of the several communities are themselves actually paying the amount which at first seemed to come from some extraneous source."

METHODISTS PLAN TITHING PROGRAM

Expect to Enroll Million Methodists This Year—Period of Intensive Stewardship Instruction

CHICAGO, Jan. 28.—(By the A. P.)—Enrollment of a million Methodists in the tithe program of the Methodist Episcopal church this year will follow three months preparation starting next month, it is announced by Dr. Luther E. Lovejoy of Chicago, stewardship secretary. The churches' comprehensive stewardship program will follow this condensed calendar.

February and March—Period of Intensive Stewardship Instruction.

1—Four Sundays of Stewardship Preaching.

2—Stewardship Study Class.

3—Stewardship Reading Contests.

4—New Methodist Million Enrollment.

(Pastors to have Communion table spread and elements consecrated, so that men and women going to early work, may pause and partake of sacrament.)

Sunday, March 5—Day of Abstinence and Prayer for Christian Stewardship.

Sunday, April 2—Enrollment of entire church for Easter week Tithe enrollment.

Sunday, April 9—Palm Sunday Decision day in Sunday school and Church. Also Easter week Tithe enrollment.

Sunday, April 16—Easter Sunday.

(a)—Morning service. Offering of Easter week Tithe.

(b)—Sunday School. A special exercise in which the Holy Week Tithe may be presented.

(c)—Evening. Easter Pageant, "The Living Christ."

Enrollment in "New Methodist Million."

Canvas for Stewardship enrollment of all Church departments throughout the day.

October and November—Stewardship Study on Church Training Nights.

Thursday, Nov. 20—Thanksgiving Day.

Stewardship Pageant, Evening. Stewardship Exhibit, all week. Stewardship Gleaning Season. Enrollments.

CHICAGO, Jan. 28.—Though New York has just heard its first "color concert," colored music was used among the Indians long before New York knew skyscrapers, according to Miss Clara A. Smith, custodian of the Ayer Indian collection at the Newberry Library here.

Colored music the Indians used was however not native to them but an invention of Roman Catholic priests in California who struggled in vain to get the Indians there to learn to sing church music from the scale.

Why a little black spot on a line should mean one note and a second dot elsewhere should mean another was something the Indians could not understand. But they could grasp that a bright red spot meant to sing low and a bright yellow spot to sing high, and so the priests painted their church music.

Recently a copy of a brightly colored Gregorian chant, written in an early mission at Santa Barbara has been presented to the Ayer of this city. The copy is handsomely done on Japanese vellum.

Visitors to the Newberry library would hardly pick the little gray haired lady who presides over this collection as one of the best Indian authorities in the country. That she is, however, and her library is declared the finest on American Indian literature in the world.

From the earliest Indian writing known—that of a Yucatan tribe called the Mayas, who gave their hieroglyphics to the Aztecs and whose civilization was already crumbling when the white man came—down to the Massachusetts Indian Bible of 1633—the first translation of the Scriptures into the Red Man's tongue—Miss Smith has the range of Indian literature within her easy reach in this library. Only three original pieces of the Mayas' inscriptions are extant all in Europe, but copies are to be found here.

ITALY AUTHORIZES
\$10,000,000 LOAN

ROME, Jan. 28.—The Italian government has just authorized a loan of \$10,000,000 lire (\$10,000,000) to a society which has been organized to utilize the vast water power available in Central Italy, in Southern Italy.

It is expected to develop electrical energy to the amount of about 300,000 horsepower by utilizing natural basins along the rivers and that this will enable the development of many industries.

About 500 communes are expected to derive benefit from this great hydro-electric enterprise, which eventually will yield about \$25,000,000 capital.

SWINE BREEDERS
ADOPT CONSTITUTION

VIRGINIA, Jan. 28.—Constitution and bylaws of the Cass county Swine Breeders' association were completed at a meeting of the executive committee of the association here recently. It was decided to postpone the sale of pure bred sows scheduled for February, because of indications that not enough animals could be listed at this time.

CHINA A GOOD GAMBLE SAYS BABSON

Famous Economist Sees Greatest Future for
Asiatic Republic

"If you must gamble foreign securities—and the transactions in this field would indicate that you feel you must—I should like to call your attention to China and recommend that if be included in your list.

"It is true that we have been brought up to think of Chinamen only in connection with laundries, pig tails and pajamas. These impressions of our youth are, however, very misleading. China is today experiencing a tremendous awakening. China should be watched and studied with the greatest care by every manufacturer, merchant and investor.

"At the present time China's securities are in dispute. Even the Chinese railway bonds, technically known as Chinese Hukuang Railway 5's are in default. On the other hand China's debt is very small and the securities could easily make good. I am not advising the purchase of any foreign securities thru these columns, but will say to those who buy foreign securities do not

fail to include China in your list. China is turning the corner.

"The business world is experiencing its usual mid-winter dullness. With the enthusiasm for Christmas over, with the Great Lakes frozen and with many forms of construction work at the seasonable standstill, little more can be expected.

"Business is awaiting the call of spring. The Babsonchart always shows a decline this time of year. It

now stands at 17 percent below normal as compared with an average of 12 percent below maintained last month.

NEW YORK HEARS COLOR CONCERT

Was Used by Indians Long Before New York Sky Scrappers—Invented by Catholic Priests in California.

CHICAGO, Jan. 28.—Though New York has just heard its first "color concert," colored music was used among the Indians long before New York knew skyscrapers, according to Miss Clara A. Smith, custodian of the Ayer Indian collection at the Newberry Library here.

Colored music the Indians used was however not native to them but an invention of Roman Catholic priests in California who struggled in vain to get the Indians there to learn to sing church music from the scale.

Why a little black spot on a line should mean one note and a second dot elsewhere should mean another was something the Indians could not understand. But they could grasp that a bright red spot meant to sing low and a bright yellow spot to sing high, and so the priests painted their church music.

STRAY DOGS FIND HOME IN COUNTRY

Many From Chicago are Shipped
to Farms—Horses Also Looked
After by Anti-Cruelty Society.

CHICAGO, Jan. 28.—(By the A. P.)—Many of Chicago's stray dogs of the streets, unhappy and sometimes dangerous in a friendless environment, were placed on farms throughout Illinois last year by the Anti-Cruelty Society. John J. Abbott, its president, told the society's annual meeting here recently. The demand for dogs, he said, was greater than the society could fill.

Three coyotes also found homes through the society last year, he added. Dogs passing through its refuge in 1921 numbered 2752 and cats 3548.

Horses ordered off duty by the society last year totalled 868, and warnings were given to the number of 1029 and four arrests were made and as many convictions obtained.

Poor horses had a Christmas present in 117 bushels of oats furnished by one of the society's members. Its free dispensary, which is the only one of its kind in the west, treated 1381 annual cases last year.

A notable feature of 1921 was the humane day held in the public schools, Mr. Abbott continued. "With the co-operation of Superintendent Mortenson we arranged for a humane day when special exercises urging kindness to animals were held in every room of every school in Chicago," he said.

The society furnished 8,000 pamphlets containing the proper information, and these were used in the exercises of the different grades. With the exception of Boston Chicago is the only city in the United States that ever has had a Humane Day generally observed in its schools.

Two later expeditions under Dr. Farrington's direction will visit the important gold and iron mining districts of Brazil and the silver and copper producing districts of Peru and Bolivia. The latter expedition will also take specimens from the important nitrate and vanadium deposits of Chile.

Specimens of prehistoric vertebrate life will be searched for by the second of the geological expeditions. This expedition will visit the Santa Cruz beds of Patagonia, certain areas of the Pampean formation of northern Argentina and some cave deposits of Brazil. It is hoped to secure some specimens of the great ground sloths, the Pampas horse and other types of vertebrate life of South America. The expedition will be under the direction of Mr. E. S. Riggs of the department of historical geology of the Museum.

The zoological and botanical expeditions will work together in the interior of the Serras of Central Peru and in the region of the Amazon.

The archaeological expeditions under the direction of Dr. J. MacCormac, assistant botanist of the Museum, will endeavor to solve some of the mysteries of the later relations of the great and civilized nations of the Americas.

The department of archaeology also plans to penetrate the interior of Boronu.

The expedition headed by Dr. Fay-Coop Cole will leave June for the Malay Peninsula to study the origin and migration of the Malay and Negrito races.

Before returning to this country Dr. Cole will attempt to penetrate to the interior of Boronu.

Dr. B. Laufer, curator of the department of anthropology, planning a trip to China to study the aboriginal tribes of the island of Hainan. He will also make an archaeological survey of the provinces of Fu-kien and Manchuria in order to enlarge the Chinese collections of the museum.

The expedition headed by Dr. W. G. Ogden, curator of the zoology of the museum, will head the expedition which expects to of animal life. The botanical expedition will be under the direction of

for their wives.

Some of those who lost their earnings in this way have disappeared from their positions.

Others are making the round of their acquaintances in an effort to borrow and the remainder are solidly facing debts which they cannot hope to pay. Grocers and butchers generally have closed all credit accounts.

Mid-Winter Tire Sale

We are offering these Sensational Tire Bargains in order to stimulate winter business in tires. In order to do this we are going to give you part of Our Profit.

A REAL GUARANTEE HERE

We realize that people are not looking so much at the name on the tire. It is the name above the door that counts. You want to buy where you can get service and get it quickly. Therefore we make all adjustments in our own store, right here, at once. We act as a factory branch. No red tape to adjustments here. You do not have to fill out and sign up a large blank of particulars and then WAIT.

This sale begins at once and will continue for a limited time. We do not believe tires will be cheaper; in fact, the market on tires is turning upward. Buy now at prices you cannot duplicate in the spring.

FIRE DESTROYS CANNON HOME

Disastrous Fire Breaks Out Saturday Morning—Mr. and Mrs. Cannon Were Both in Bed Afflicted With Pneumonia.

Fire which apparently started from an overheated furnace pipe at 8:25 o'clock Saturday morning practically destroyed the residence of W. S. Cannon, 1048 North Main street.

Mr. and Mrs. Cannon both have pneumonia and were confined to their beds. They were carried from the burning house and taken to a neighboring house and later removed to the hospital. The excitement incident to the fire caused a change in Mrs. Cannon's condition and it is now regarded as serious.

The firemen made a quick run to the residence but when they arrived the house was in flames. Before the fire was under control the structure was almost totally destroyed. The loss will run to several thousand dollars which is fully covered by insurance.

Two Other Alarms.

At 10:15 o'clock the department received an alarm from the residence of Samuel Farmer, 502 North Fayette street. All of the men were still fighting the Cannon fire. J. E. Martin, former city commissioner happened to be at the city hall when the alarm came in and promptly started the truck.

With Henry Ortepp, city Lineman and Patrolmen Baker and McGinnis as volunteer firemen he made the run to the fire which had started in the roof by sparks from a chimney. The blaze was extinguished with the chemical with but small damage.

At one o'clock Saturday afternoon a roof fire called the department to the residence of Edward V. Smith, 324 West Walnut street. The blaze was extinguished with but small damage.

ANNOUNCEMENT.

I hereby announce myself as a candidate for road commissioner in District Number Four.

J. W. WALLACE.

TO THE VOTERS OF THE 20th Congressional District of Illinois

I am a Democratic candidate for Congress at the coming Primary Election to be held April 11th, 1922. It is needless for me to state that I will appreciate very highly your support and influence.

On account of bad roads and weather conditions, I may not be able to see you before the primaries. But I want to meet you if possible and become better acquainted. My announcement will appear in your newspaper. Please read it and then give my candidacy your serious consideration.

My campaign will be free from personalities. I have no particular quarrel with my opponents.

One of them, Mr. Rainey of Carrollton, Illinois, has represented this District in Congress for almost twenty years. His record speaks for itself. Many prominent Democrats throughout the District with whom I have talked, believe that Mr. Rainey has held this office long enough and that it should be passed on to a

younger man.

This District is both agricultural and industrial. In a general way I am familiar with both interests.

In connection with my law business I operate my farm. I was raised on a farm in Cass County, Illinois and have done all kinds of farm work.

I am a member of the Cass County Farm Bureau and interested in good farming. If you care to inquire further, write J. E. Edwards, president Cass County Farm Bureau, Ashland, Illinois.

During my vacations, while attending College and teaching school, I worked as a section hand and did other manual labor.

My sympathies have always been with men who toil.

If you care to, write Wesley Perry, Mayor of Beardstown, Illinois,

who is a staunch supporter of the cause of Labor. If nominated and elected, it will be my aim to give the Farmer, the Laborer, and the Business Man a square deal and work to improve their conditions.

In view of my knowledge and experience in matters that will naturally arise affecting your interests, I feel justified in asking for your support. I do not care to go to Congress on a platform of glowing promises and vague generalities. If nominated and elected I shall endeavor to meet the problems of government as they arise, and support measures that are calculated to keep pace with the changing conditions of the times, and that are conducive to the best interests of society and the body politic. Should it be my good fortune to win this honor, I will give to the people of the Twentieth Congressional District of Illinois, the best there is in me.

Thanking you in advance for your support and influence, and with best wishes, I am,

CO OF C. TO MEET WITH TRAVELERS

Get Together Meeting Planned for Feb. 10—Program With Smoker Will be the Order.

The Chamber of Commerce is planning a big get-together meeting of all the traveling men of the city with the members of the Chamber of Commerce for Friday evening at 7:30 o'clock. The Chamber of Commerce considers that such a meeting would be a fine method of creating good fellowship and at the same time would be one of the best publicity methods for the organizations that could be used.

They are planning to have a rousing good time that evening. A luncheon will be served first after which there will be all kinds of entertainment and a smoker. A program will probably be presented with several talks and musical numbers, with a regular show put on afterwards. They are trying to obtain two or three vaudeville acts for this part of the entertainment.

The invitations are being sent out now, so remember the date traveling men, Friday evening, February 10th, at 7:30 o'clock.

YOUR MOVE

Yes it is only a very short time until it is "your move." March 1st will soon be here, you no doubt will have to move, provided the other fellow gets out of the way. Listen, don't you think that it would be to your advantage to move now? I have an A-No. One house that I will sell you, and give possession at once. The house is empty now. I could have rented it for big money. But, I knew somebody would want to buy, and that SOMEBODY is YOU. Read the description and see how it suits you: An Eight room house, hot water furnace, electric lights and gas, concrete basement, new roof, new paint, outside and in; new decorations; garage room for two cars. New garage, lot 70x300 feet, on paved street and in good neighborhood. Will make terms. Can you beat it?

See me at my office in Scott Block. Phone 1764.

C. N. PRIEST.

PLAN TO HOLD SALE HERE

The committee in charge of the advertising for the combination sale to be held in Jacksonville, February 18th, met yesterday afternoon at the Farm Bureau office. At this sale, which will be held at O'Donnell's Garage, sixty head of the best Duroc and Poland China hogs in the county will be sold. This combination sale is to be held under the auspices of the Duroc and Poland China Breeders Associations. The committee in charge of it is made up of the following members, C. N. Kinnett, Nellis Crane, Bert Way and Dr. A. B. Applebee.

SHIPPING ASSOCIATION TO HOLD ANNUAL MEET

The Joy Prairie Shipping association will hold its annual meeting Tuesday afternoon, January 31st, at Austin B. Patterson's Hog Barn. All members are urged to be present and any interested parties are invited to be present. The annual election of officers will be held and reports of the year will be given.

Sherman Coulter of Lynville neighborhood was visiting friends in the city yesterday.

REPORT OF ROAD CON- DITIONS IN COUNTY

Reports on road conditions reported in to the Chamber of Commerce headquarters Saturday indicate that all roads for a radius of 25 miles from Jacksonville are in excellent condition for this time of year. Before the snow the surface of these roads were very good and the snow is now packed hard making a very smooth driving surface.

The thaw of Saturday did not materially affect the snow or the country roads and unless today brings a greater thaw the roads should be in good shape for driving.

Chamber of Commerce Notes

Mr. H. A. Tauchy, traffic manager of the Springfield Chamber of Commerce will be in this city Tuesday, January 31st and will address a meeting of all business men, manufacturers and others interested in handling their freight shipments in a more economical manner.

Mr. Tauchy has a very fine record in Springfield and shippers of that city inform local men that his knowledge has saved them hundreds of dollars per year in freight costs.

The meeting will be held in the Chamber of Commerce rooms at 7:30 P. M. and all shippers of the city are cordially invited to have this work in charge.

Dealers in

High Grade of COAL

We will not attempt to predict conditions this winter. The time is ripe to buy and the prices, quality and preparation of our products are sufficiently attractive to warrant you in placing your orders with us now. Think it over.

Thanking you in advance for your support and influence, and with best wishes, I am,

Faithfully yours,

ALLEN T. LUCAS.

FARM HANDS CONFER ON WAGE QUESTION

Over eighty farm hands from Morgan county answered the invitation of the Farm Bureau officials yesterday and met at the association rooms on East State street to discuss labor conditions and the question of wages. County Agent George B. Kendall opened the meeting telling of the outlook for 1922 and emphasizing the things which are necessary to bring about normal conditions in business. He pointed out that it is a fact that farmers are not in a position to pay what farm hands ought to have in order to live comfortably. The farm hands in general agreed that this is the case in the county at present.

Harry Craig was among the city visitors from Woodson yesterday.

Henry Rees of Woodson, traveled up to the city yesterday.

ADVENTURES WITH A RADIO

More and more are wireless receiving sets coming into their own.

In the home daily, more and more people in all walks of life, are receiving "right out of the air" the latest news of the world. They "tune in" on their receiving sets and get reports of athletic events, stock quotations, weather reports, listen to dance music, popular songs, or concerts by leading vocal or instrumental artists.

Day and night, the air is full of these transmissions sent free for the enjoyment of all owners of receiving radios.

What finer amusement could you bring into the house than a "radio" receiving outfit? It is not only an educator but it is also an instrument of adventures at home.

There were not so many single men present at the meeting but the general opinion among this class of workers was that a single man should be content with a \$30 per month and his board. All seemed to agree however, that it would be impossible to establish a uniform wage among the men. The conference, in all particulars was successful and proved that a spirit of cooperation is evident among the farm laborers of the county.

SCHOOL NEAR CHAPIN
TO BE DEDICATED

Interesting Ceremony at Harmony School Tuesday Evening—Other Chapin Items.

Harmony school, located one and one half miles northeast of Chapin is planning a dedication program for Tuesday evening, February first, at which time State Superintendent of Schools, F. E. Blair of Springfield, will be the principal speaker. Harmony school was built about two years ago and the dedication was delayed until the school was graded as superior standard, having the unique distinction of being the only one so graded in Morgan county, there being only about thirty five such schools in the entire state. The teacher in charge, Mrs. Grover Smith, the school board and patrons of the school have arranged to serve a supper to be followed by the program.

Miss Amy Onken and Miss Ina Schmid were visiting in Jacksonville Saturday.

Gustav Onken went to Peoria Friday to be present at the annual banquet of the C. J. Off Grocery company in which organization he is a stockholder.

Mr. and Mrs. B. H. Allen of Versailles are spending the week end with home folks.

An Army Marches On Its Stomach, Said Napoleon

The Great Corsican Knew That Success in Life Depends Upon Your Strength, Energy and Endurance

By HADRISEN VAUGHN

When Napoleon led his victorious armies through Europe, his worst enemies were not the nations defending themselves against his smashing onslaught; but he was confronted by the graver question of how to provide nourishing and strengthening food for his soldiers.

The Great Corsican realized long over a century ago, as has every commanding general since, that men's bodies must be perfectly nourished if they are to retain their natural strength, energy and vigor; in fact, that the very health of the human being is regulated almost entirely by the stomach. Under-feeding, insufficient nourishment, means loss of flesh, anæmia, lack of red blood and subsequent weakness of the entire system.

What such people need to enable nature to bring back their strength and vigor, restore their lost weight, and put them in fighting trim, with rich, red blood coursing through their veins is Tanlac, the powerful reconstructive tonic and body builder.

A man or woman suffering from sour stomach, bad breath, biliousness, indigestion, or gas on stomach, is unfitted either for physical or mental labor. Sufferers from these ailments find life a burden; they look on the world through blue glasses, the joy and rewards of the vigorous, happy, normally healthy person is not theirs. Their troubles embitter them against the world, destroy their ambitions and make their lives dull and unhappy.

How foolish to continue in this condition when on every hand throughout the length and breadth of the land, people by the thou-

sands are daily testifying to the remarkable powers of Tanlac in conquering stomach troubles. This powerful reconstructive medicine builds up the weak and the dependent; gives them new hope and happiness and a new lease on life.

Tanlac's name has been praised by hundreds of thousands. Testimonials from every corner of the United States and Canada have shown conclusively that even in cases where patients had almost given up all hope and where men and women had believed themselves doomed to a life of misery and suffering, Tanlac has overcome their troubles and brought back health, energy and happiness into their lives.

If you are not "fit as a fiddle" in the morning and don't feel better than when you went to bed; if your breath is offensive and you have that bad taste in your mouth, your body is not being nourished properly. What you need is Tanlac to restore you to normal so Nature can bring back the flesh you've lost, put the bloom of health in your cheeks, the spring of energy in your step and the sparkle of happiness and contentment in your eye.

NOTE—Tanlac Vegetable Pills are an essential and vitally important part of the Tanlac treatment. You cannot hope to get the most satisfactory results from Tanlac without first establishing a free and regular movement of the bowels. Tanlac Vegetable Pills are absolutely free from calomel and are sold on a positive guarantee to give satisfaction.

Tanlac is sold in Jacksonville by Cover Drug Co. and Shreve's Drug Co., and by leading drug stores everywhere.—Adv.

Coming events cast their shadows before, it has been truly said. So, with the coming of Spring, many things denote the appearance of that gladsome period of the year. We announce the arrival in our shop

The New Woolens for Spring Suits and Light Overcoats

Possibly you have found that you cannot make the "old suit" last until the "grass grows green again," and that you must have a new medium weight. If that's the case, come in and we'll give you a splendid bargain. Any way, come in and let us have the pleasure of showing you the beautiful spring patterns.

AGED RESIDENT OF WAVERLY PASSED AWAY

Death of Ms. Delia Turner Friday as Result of Paralytic Stroke—Other Waverly Items.

Waverly, Ill., Jan. 28.—Mrs. Delia Turner died at 1:30 a. m. Friday at her home in this city at the age of 79 years. Death was due to a stroke of paralysis suffered several months ago.

The deceased spent the greater part of her life in the vicinity of Waverly. She is survived by two daughters, Miss Edith at home and Miss Neva who is a patient at the Homestead in Springfield and one son, Lewis of Marion, Iowa.

The funeral will be Sunday at the First M. E. church conducted by the pastor, Rev. C. M. Hammond. Burial in East cemetery.

The high school was dismissed at 11 o'clock Friday on account of the funeral of Elmer, Gilbert held at Loami at 1 o'clock. Young Gilbert passed away Wednesday at 1:45 a. m. at St. John's Hospital in Springfield from the effects of blood poisoning.

He was a member of the Junior class of the Waverly high school. For the past two years he has been employed at Otto Bremecke's Bakery. His parents, Mr. and Mrs. Gordon Gilbert reside at Marion, Ill., and he is also survived by eight brothers and one sister.

A large crowd attended the American Legion dance at Rodgers Garage Friday night.

Rev. and Mrs. J. W. Allen returned from a visit to relatives in Springfield.

Miss Josie Stockdale went to Gibson City Wednesday to visit at the home of Rev. and Mrs. F. E. Smith.

Mrs. Russel Thorn is visiting in Springfield at the home of Mr. and Mrs. T. H. Cram.

Mr. and Mrs. Oscar Higbee left for Birmingham, Ala., where they will spend several weeks.

Mrs. Edgar Harris of Auburn is visiting at the home of her sister, Mrs. J. W. Woods.

Wm. Crumpler went to Springfield Thursday to consult Dr. Bullard in regard to his eye that has been causing severe pain for several weeks.

An examination showed that the sight was entirely gone. Mr. Crumpler returned to his home the following evening.

Mr. and Mrs. J. H. Sevier and Geo. Stice were called to Berlin Thursday by the serious illness of Oscar Stice.

SWIFT & CO. PRODUCE MARKET REVIEW

Recent lower prices on butter have created a greater demand and the market has reacted again sharply in the past few days to higher prices. The demand continues good, while cold weather retards the make to a certain extent. The production, however, is running heavier than a year ago, which should have a tendency to keep the markets stabilized for some time to approximately present values.

Cold weather has had some effect on the movement of poultry and receipts at the large markets are somewhat lighter, making better selling values possible for live poultry. With receipts of fresh dressed dropping off, which is natural at this time of the year, there should be some advance in fresh poultry, although the advance probably will not be great, as stocks of frozen poultry are heavy.

Low prices recently established on eggs brought about a very heavy consuming demand, and prices have risen sharply. This is also partly due to extremely cold weather. Prospects are for fluctuating markets for the next several weeks.

IN MEMORY OF MINNIE HOFFMAN HIGBEE

A Voice From Somewhere, I live in the light of God, His image stamping my brow, Through the shadows of death my feet have trod, But I reign in glory now.

I have found the joys of Heaven, I am one of the Angel band, To my head a crown is given, And my music is in my hand.

I have learned the songs they sing, Whom Jesus has made free, And the glorious walls of Heaven will ring.

With my new born melody, Do I forget? Oh, no!

For memory's golden chain Shall bind my heart to the hearts below;

Till we meet and touch again.

Oh, friends of my mortal years! The trusted and the true;

You're walking still the valley of tears,

But in the land of bliss I wait to welcome you.

—By One Who Knew Her.

Howard Martin is confined to his home on North Church street on account of stepping on a nail. He stepped on a rusty nail, and ran it clear thru his shoe into his foot. It was necessary to perform an operation on it which will lay him up for several days.

Harold James of Ebenezer neighborhood was an arrival in the city yesterday.

W. C. Pendle of the East part of the county added to the list of city arrivals yesterday.

MURRAYVILLE WOMEN 'AD BIRTHDAY SOCIAL

Methodist Ladies' Aid Members Enjoy Social at Church—Fine Program Carried Out.

The birthday social of the Ladies' Aid of the Murrayville M. E. church was held Thursday afternoon at the church. The hostesses were the members whose birthdays occur during January and February and they had prepared a program which was of very great interest.

The program follows:

Prayer—Rev. Mr. Henninger.

Vocal Solo—Mrs. Maude Kimball.

Reading on Lincoln — Mrs. Reece Jones.

Reading on "The A. B. C. of Farmers' Wives" Mrs. Anna Lamb.

Vocal Solo—Miss Pearl Doyle.

Original Reading—The Church as an Educator—Mrs. H. D. Daniel.

Vocal Duet—Mrs. Solomon and Mrs. Ruth Fuller.

Paper—Mother's Dining Table, —Mrs. Mary E. Wright.

Vocal Trio in Italian—Mr. Barclay.

Sketch of the Life of Washington—Miss Hannah Atkinson.

Sketch of the Life of McKinley, —Miss Clara Millard.

After the program came a very pleasant social hour when refreshments were served consisting of pressed chicken sandwiches, Maryland Washington pie and cocoa.

The hostesses of the afternoon were Mrs. Clara Solomon, Mrs. Edith Millard, Mrs. Hattie B. Daniel, Mrs. Anna Lamb, Mrs. Mary E. Wright, Mrs. Maude Rimby, Mrs. Eliza Million, Mrs. Lydia White, Mrs. Albert Riggs, Mrs. Jesse Hayes, Mrs. Rose Rousley, Mrs. Susan Carlson, Mrs. Mary E. Rimby, Miss Hannah Atkinson.

We Are Battery M. D.'s and Treat All Kinds of Batteries

You'd be surprised at the improvement a little care and attention make in a battery.

A little water, a few hours of recharging, a few dollars' worth of repair work done in time may save you dollars of expense and inconvenience later on.

We've treated all sorts of battery diseases here at Battery Headquarters, and nearly all makes of batteries. It's a fixed principle with us not to recommend the purchase of a new battery unless our experience tells us it will save you money.

YANKS and LEGIONAIRES

Forceful Facts Concerning the
Interests of Former Soldiers,
Sailors and Marines.

According to army officials, men with blue eyes are the best shot.

The protection against poisonous gases used in warfare is said to be made almost perfect.

The U. S. Government pays \$600 a year to youths studying at the Naval Academy at Annapolis, Md.

During the past year, 245,153 claims for compensation were filed by veterans of the World War.

American Legion posts in New York city are planning to teach English and civics to their members.

Officers and enlisted men of the Army Reserve Corps are to be called out for a tour of duty next summer.

A million woolen army undershirts, now stored in army warehouses, will be sent to Russia to be converted into garments for destitute children of that country.

The number of army service men, below the grade of captain, entitled to the soldier bonus is 4,031,568. The number entitled to benefits in the navy is 534,150.

The Pirate, Boche, Hun, Fourteen Points, and Columbus are a few of the names of a fleet of German sailing vessels trading out of Hamburg with Latin-American.

As a means of restoring world faith in Germany's intentions, laborers in that country have been asked to refuse to participate in the manufacture of arms and munitions.

Major General Sir William Edmund Ironside, distinguished as the first British officer to land in France during the World War, was recently appointed head of the Staff College in England.

Mrs. Charlotte Lampanius, 95, of Centralia, Wash., is the mother of Civil War veteran, grandmother of a Spanish War veteran, and greatgrandmother of five World War veterans.

In 1919, fifty-three years after the close of the Civil War, the greatest sum ever paid in United States pensions, amounting to \$222,159,292, was distributed to 624,427 names.

A nautical school is to be established by the Veterans' Bureau for the training of service men for the American merchant marine. Four Shipping Board vessels will be used as training ships.

Merely because a disabled soldier leaves a Government hospital without consent of physicians, he is not considered A. W. O. L., the only penalty being that he must pay his own way if he wishes to return.

Colleges and universities of Wisconsin have 100 former soldiers enrolled as students, under provisions of a State bonus which allows them \$30 a month for four years beside their educational training.

According to General Sarrall, one of the heroes of Verdun, "the Americans won the war," as quoted in the pages of a book devoted to the struggles of the World War, written by Adolfo Agrolo, of Montevideo.

The Women's Overseas Service League, an organization of women who served as nurses during the World War, is seeking a charter from Congress to maintain a national organization that will help suffering humanity in time of peace.

A new \$900,000 high school building is to be erected in Greenwich, Conn., in memory of the veterans of the World War of that city. A memorial lobby and an assembly room, for the exclu-

sive use of service men, are planned for the structure.

Despite the standing order, issued two years ago, that enlisted men of the United States army in Germany who married would be returned to America with their wives on the next army transport, more than 1000 soldiers have married during the last 34 months.

Mrs. Nancy Coonman Hahn, of St. Louis, has been awarded a commission for the erection of a monument in the Argonne region of France, in memory of the Missouri heroes who gave their lives in the World War. The prize-winning model by Mrs. Hahn represents the figure of a woman holding aloft the wreath of victory.

Thirty-seven applicants for American citizenship were recently rejected in the Federal Court of Boston, Mass., on the grounds that all had claimed exemption from military service during the World War on the plea that they were aliens. The list included Greeks, Swedes, Russians, Irish, Norwegians, Turks and Armenians.

The soldiers' bonus bill to be acted upon by Congress will give to each army, navy, and Marine Corps veteran, below the grade of captain, five options. The first will be a cash bonus of \$1 a day for each day's service in the United States and \$1.25 a day for each day's service overseas, minus 60 days, this deduction being made because the men were given \$60 each, or two month's pay, when they were discharged.

It is estimated that approximately 2,150,000 men would be entitled to \$1 a day for home service, and 2,300,000 men to \$1.25 a day for overseas service.

Conservatory Notes

There will be a student's recital next Friday afternoon, February 3, at 4 o'clock. The public is cordially invited.

The music for the funeral services of Mrs. Higbee (nee Miss Minnie Hoffman), which are to be held Sunday afternoon, January 29th in the Baptist church are in charge of Mr. Kritch. Mrs. Higbee studied for some years at the conservatory, receiving a teacher's certificate and a diploma, and also taught violin as Mr. Kritch's assistant.

Mrs. Meredith (Mr. Munger's sister) and Miss Davidson, of Xenia, Ohio, have been visitors in Jacksonville for the past week. Mrs. Meredith and Miss Davidson are singing a duet at State street church Sunday, January 29th.

Phi Omega will hold its next meeting Tuesday January 31st. The society will give a dance at the college gymnasium on Saturday evening, February 4th.

At the students' recital given Friday afternoon, January 27th, the following program was performed:

Iris (piano) Fruini

Margaret Heaton, Night Song (piano) Brown

Pauline Bray, Dance of the Sunbeams (piano) Lowmiller

Jane Cockrell, Arietta (violin) Maxim

Gretchen Beadle, Meditation from "Thais" (violin) Massenet

Gertrude Curtis, The Sandman (piano) Beck

Hide and Seek Risher

Anna Mae Hulett, Twilight (piano) Fruini

John Morris, The Windmill (piano) Harris

Robin's Lullaby Krogmann

Winona Rawlings, Thru Sunny Fields (piano) Carlin

La Fera Hess, The Gossips (piano) Crammond

George Nicol, Rowing Song (piano) Dutton

Bertrice Vasconcellos, Happy Jack (piano) Crammond

Beata Armstrong, Doll Dance (piano) Mercadente

Frances Griswold, The Gay Butterly (piano) Hatch

Olive Bray.

Science Now Shows Why Thousands
of People Are Always Weak, Thin,
and Run-Down No Matter
How Much They Eat

Good Firm Flesh, Increase
Weight, and Obtain a More
Beautiful Form and Figure

Get a FREE \$1.00 Package
of Genuine Yeast Vitaminine
Tablets Today as Explained
Below — Try Them for Ten
Days and Watch the Results

Science has at last shown how we sometimes grow weak, thin, and emaciated on an abundance of food (lacking in vitamins) while with a much smaller amount of food, rich in vitamins, we may quickly take on good firm flesh, increase in weight, and make a remarkable gain in strength, energy and endurance, provided your blood contains sufficient quantity of oxygenated organic iron to enable your body to assimilate your food properly.

Without organic iron, both food and vitamins are absolutely useless as your body cannot change lifeless inert food matter into living cells and tissue unless you have plenty of organic iron in your blood.

For centuries scientists tried in vain to make organic iron. At last the problem was solved so that you may now obtain pure organic iron in your blood from a druggist like the iron in your blood from draggists under the name of "Nuxated Iron".

I have arranged to give to every purchaser of Nuxated Iron, who wishes to put on flesh or increase weight, a large regular \$1.00 package of Genuine Yeast Vitaminine Tablets absolutely free. Be sure to take only Nuxated Brand Yeast Vitaminine Tablets with

DO NOT BE MISLED BY IMITATIONS
WHICH OFTEN CONTAIN DRUGS.

FREE \$1.00 Coupon

This coupon, if used within five days, entitles you to one regular \$1.00 package of Genuine Yeast Vitaminine Tablets, absolutely free with each bottle of Nuxated Iron that you purchase. Your dealer does not have to be a member of the Citizens' Committee to Enforce Landis Award.

WOMAN'S COLLEGE
NOTES

Write me today and I will send you a free trial of my mild, soothing, guaranteed treatment that will prove it. Stops the itching and heals permanently.

Send no money—just write me that is all you have to do. Address

Dr. Cannaday
2036 Park Square, Sedalia, Mo.

A record in registering has been made at the college on account of the new method which has been adopted. On Monday, the 23rd, all of the students regularly enrolled in the College of Liberal Arts and in the regular degree and certificate courses in other departments were registered in less than four hours.

The new method used is one that is patterned after the system in force at the University of Illinois. Both faculty and students are enthusiastic over the small amount of work which this system involves.

A committee of the faculty are working on a correlation of the courses of study. This committee is checking over the various courses with the idea of securing unity of statement and harmony between all departments.

The Week of Prayer will be observed beginning Tuesday, February 7th. The services will be in charge of President Harker both morning and evening. On Thursday the sermon at 10 o'clock will be given by the Rev. C. D. Robertson of Centenary church. Friends are cordially invited to be present at these services.

Miss Gladys Henson of the class of 1911, and her sister, Mrs. Zelda Henson Ferguson, were visitors at the college this week. Mrs. Ferguson is living in Springfield, where her husband is the engineer in charge of the Department of public Health. Miss Henson has been teaching for a number of years in the Mission schools in the south—in fact ever since she graduated her life has been given to this field of work. She is greatly interested in the opportunities for real service in the Home Mission fields of the highlands of the south.

The students at L. W. C. have been very much interested in the plan to assist the students in the stricken countries of Europe, and have pledged \$350 toward the Student Friendship Fund. The representative was at the college on Tuesday night to tell the story of the great need.

President Harker returned Tuesday noon after two weeks absence, during which time he attended a number of meetings of the board and associations in connection with the educational work in which he is substituting for her.

G. R. Logue a farmer residing south of town, has asked for the nomination for sheriff on the Democratic ticket.

Active work is being carried on in the gymnasium in all departments of the physical work. The various class basketball teams are training for the championship games that will be played at the close of the indoor season.

Miss Nelle Irvine who has been receiving treatment for a broken ankle since January 1st, at the Springfield hospital will return to her home in this city today. It will be many weeks before she is able to resume her duties as teacher in the public schools. Miss Irene Edwards of Ashland is substituting for her.

Active work is being carried on in the gymnasium in all departments of the physical work. The various class basketball teams are training for the championship games that will be played at the close of the indoor season.

Miss Beulah Ennis '16 was recently elected to membership in the Sigma Zeta society. This is an honorary scientific society to which only persons who have attained some high distinction in scientific work are elected. Some of the great scientists of the country are among its members.

President Rammelkamp attended a meeting of the trustees of the Illinois State Historical Library in Springfield last Wednesday.

Final examinations for the first semester began Saturday morning. Due to the large enrollment in several courses, the examinations for these classes were held in the David Prince auditorium. The examinations will continue until the end of the week. Registration days for the second semester will occur on Feb. 6 and 7.

George W. Govert '95 of Quincy was a business visitor in the city Saturday. George Govert, Jr., his son is a student in Illinois College this year.

Another alumnus of the college who was in the city during the past week was the Reverend Arthur W. Rider, D. D., of Los Angeles, California. Dr. Rider plans to be in the state of Illinois for about a month.

Mr. and Mrs. Tom Ward and children, Oliver Lindsey and Mrs. Charles Roach were listed among shoppers in the city yesterday from Literberry.

Hopper & Son

Everything for Feet

Two Things You Demand

In Furniture and Housefurnishing—that they be of good quality and low in price. We meet this demand.

The Sturgis Furniture Co.
304 E. State St. WE BUY OR SELL
Opposite the PostofficeKnow What
You
Are Buying

Do you realize when you buy
12 oz., or 3/4 of a pound of baking
powder what it is actually costing you
per pound. For instance—

60c for 12 oz. or 3/4 of a lb.
equals 80c per pound

50c for 12 oz. or 3/4 of a lb.
equals 67c per pound

30c for 12 oz. or 3/4 of a lb.
equals 40c per pound

Did you ever stop to figure
this out? It is something that every
housewife should know because it
shows the false economy of buying
the 12 oz. or 3/4 pound can of baking
powder—it shows the big price you
pay per pound.

Do you know when you get
12 oz. you are not getting a full
pound and what a full pound
would cost?

Never ask for a can of baking
powder—always ask for a pound
when you want it.

Remember a large can of
Calumet Baking Powder contains
16 oz. or a full pound.

Buy Calumet because you get
more for your money—because it is
the most economical of all leaveners
—the best by test brand.

GET MORE EGGS

THIS WINTER—MAKE YOUR HENS FOOT
YOUR HOUSEHOLD EXPENSES

Your hens will follow their animal nature and refuse to lay eggs during the winter if you do not feed them a Tonic that will tone up their dormant egg organs and condition their system so that they will be able to lay more eggs.

A laying hen needs good health, good appetite and digestion. Feed your hens.

McNess' POULTRY TONIC

It gives the hen an appetite and good digestion. It contains Tonics that tone up the dormant egg organs—Iron that makes red blood and a red comb. It starts your hens to laying and it keeps them laying. F. W. McNess' Poultry Tonic will make your hens lay more eggs while prices are high.

Don't delay feeding your hens F. W. McNess' Poultry Tonic any longer—it will tone up the egg organs, which means more eggs.

F. W. McNess' Poultry Tonic comes in 4 lb. packages 15 and 30 lb. pails and 100 lb. drums. Sent to any one upon request! C. O. D.

FRED E. VIEIRA

705 N. Diamond St. Jacksonville, Ill.

Make your Hens Lay while Egg Prices are High!

ing testimonial meeting at 8 o'clock. The reading room is open each week from 3 to 5 p. m. The public is cordially invited to attend church services and to visit the reading room.

First Baptist church—The Sunday school assembly at 9:30 a. m. under the leadership of Dr. G. W. Koppenhagen. Good orchestra. Good teachers. Bright sessions. A cordial welcome. Morning worship is held at 10:45 a. m. The pastor Rev. A. P. Howells, will preach a sermon by request on "The Millennium." Good music by the quartette. The School of Missions meets at 6:30 p. m. But two more sessions remain. A special invitation is given to the men. The four mission study books will be completed on Feb. 5. The lecture period at 7:30 p. m. is given over to "Pardon Power." The Epworth League service will be led by Kathryn Randle. Subject, the second chapter of John Wesley, Jr. Prayer meeting on Wednesday evening at 7:30 o'clock.

The Second Baptist church—Pastor H. H. DeWitt. Services at the usual hours. Morning theme: "A Message Brimful of Encouragement." Evening theme: "Apples of God in Pictures of Silver." Bible school at 2:30 p. m. Mrs. Laura Lafayette, superintendent; Mrs. Albert Moore and Mrs. Nernan Revis, assistants. All persons assisting in raising money for the pews are expected to report at the evening service and return their books to the church clerk. The choir will give special selections of music at the evening service. Mrs. Irene Douglass will sing a solo at the close of the service. Come and worship with us.

C. R. Short returned yesterday from Springfield where he has been attending to business matters this week.

DANGER OF JUST LETTING A COLD RUN ITS COURSE

Common Coughs and Colds
That Hang on Persistently
Are Apt to Lead to Serious
Complications. Declare
Authorities.

Public Warned to Beware
of a Three Days' Cough
and Break it Up Before It's
Too Late, by Taking Kurokol,
the New Scientific
Discovery.

Money Refunded in Every In-
stance Where Kurokol
Fails to Bring Relief.

Leading authorities are using every effort to arouse the public to the danger of letting common cold just run their course for it may be definitely known that many serious lung complications such as pneumonia, grippe, etc., are the direct result of colds that hang on persistently.

Colds are curable and preventable and it is a duty everyone owes himself as well as his neighbors to break up any cold they may contract, before some serious disease gets him in its clutches. It is pointed out that a three days' cough is nature's warning and the time for immediate action has arrived.

Centenary Methodist Church—C. D. Robertson, pastor. The new superintendent of the Sunday school, A. C. Metcalf, will be glad to see everyone who is not enrolled elsewhere at Sunday school at 9:30 a. m. and will see that each one is comfortably placed in a class where he will be at home. This will be a week of especial interest at Centenary. The program for the week follows: Sunday school at 9:30 a. m. Morning worship, with sermon by the pastor. Theme, "The Strengthening Touch." During part of the morning service the pastor will speak especially to the Go-to-Church club using the subject, "Have You Got Any Cents?" Epworth League at 6:30 p. m. led by Miss Irene Milnes. The study of John Wesley, Jr. will be continued from where it was left off last week. Evening worship at 7:30 p. m. The pulpit will be occupied by the Rev. Charles Morris Barton of Chicago, a friend and classmate of the pastor. Mr. Barton is director of Apportionments and Statistician for the Committee on Conservation and Advance. He is one of the most interesting speakers in Methodism and should be heard by everyone. Young people in particular ought to hear him. Prayer meeting Wednesday at 7:30 p. m. The meeting last week was one of great interest and power. This week one of the Area team, who were here for the district meeting early in January, will be present for prayer meeting. This service should be fully attended, as these men bring a fresh and uplifting report of the church and the kingdom. The School of Religion meets every Tuesday evening at Illinois Woman's College, Troop 5, Boy Scouts, will play basketball every Saturday evening at the Gymnasium at the School for the Blind.

The wonderful efficiency of Kurokol in breaking up a cold is best shown by the fact that all druggists are instructed to refund money in any case where it fails to give satisfactory results after three doses have been taken. (Adv.)

end. At 7:30 "The Evil of the Times." Song, "The Harvest Is Passing." Come early so you may find a seat. Make yourself welcome.

Service Equal to Original Factory Service

Is Given By Us to Ford Car and Fordson Tractor Owners

A dozen special machines have been installed for doing all repair and replacement work accurately as would be done in the factory—all work and machines in charge of skilled Ford Mechanics

Ford cars and Fordson Tractors inspected and expert advice and estimates given without cost, and all work entrusted to us will be done as would be done in the Ford Factory—Correctly and Most speedily

All work done by us will be done at shop cost—that is, on a per hour basis estimated to take care of mechanics' wages only—it is not our plan to endeavor to make a profit on our repair work.

Accurate Factory Service to Ford Owners is the Sole Reason for This Arrangement

FORD CARS AND FORDSON TRACTORS have reached their present wonderful output and unusually favorable reputation because of the magnificent and dependable service these products have given their owners, and it is the duty of every dealer to maintain the high standard reached.

AS WITH EVERYTHING IN THIS WORLD, there is in time bound to be wear and there will be accidents causing breakages and other damage that must be repaired, and to maintain Ford Standards only genuine Ford parts should be used, Ford mechanical devices for accurate work, all in charge of experienced Ford mechanics; hence, the installation by us of the dozen or more pieces of Ford machinery, the employment of skilled Ford mechanics, and the offering of this service to Ford owners at shop cost.

THE FORD COMPANY SETS THE PRICE at which their products must be sold, and in the sale of these we derive our income, but to derive

Have Your Work Done by Men Who Work, Think and Live Nothing But Fords

We have given you an outline of what we are doing in this community for all Ford owners, and extend an invitation to you to call at any time and inspect our shop and equipment to see for yourself that we are in position to take proper care of your every need in the shortest possible time and at a genuine saving of not only first, but ultimate costs to you.

Below is a Brief Description of Our New Machinery

CONNECTING ROD ALIGNMENT JIG—For straightening and lining up all rods before going into motor.

CYLINDER BLOCK REPAIRING EQUIPMENT—This machine enables us to replace your main bearing when your old bearing becomes worn or loose.

MAGNETO TEST STAND—With this equipment we test your coils and magneto, and in a few minutes we can locate your magneto trouble without removing motor.

BURNING-IN MACHINE—A big time saving machine, gives you 100% bearing surface. Old system of scraping by hand is only

40%. This machine also burners up your Ford or Fordson making cranking easy after we overhaul your motor.

ARBOR PRESS—A quick acting, powerful press to remove and replace bushings, gears, or to straighten bent parts.

GENERATOR TESTING STAND—Equipment for repairing Ford starting and lighting system. In a few hours we can make an old worn-out starting motor or generator like new.

MOTOR STAND—This equipment enables the mechanic to quickly handle the motor with ease and turn it to any desired position.

PISTON VISE—For holding pistons while polishing and working on same.

POWER DRILL PRESS—With this machine we rebore cylinders which have become out of round. After this operation your cylinders are like they were when your car was new.

FOUR CHAIN HOISTS—These hoists are on double tracks which enables one man to do hoisting that would require four men.

VALVE GRINDING TOOL—Makes job one hour's work and a perfect seat where by hand it takes from four to eight hours.

GREENFIELD ITEMS
OF SPECIAL INTEREST

one furnace to work properly the high school buildings could not be heated properly and school was dismissed for several days last week.

The M. W. A. and R. N. A. lodges held a joint installation of officers Monday evening at the Woodmen hall. After the business session an excellent oyster supper was served. Dancing was enjoyed until a late hour.

C. O. Ruker of El Paso, Texas, was visiting old friends here last week.

The local American Legion boys entertained the members of the Woman's Auxiliary at an oyster supper in their post rooms last Tuesday evening. The rooms were tastefully decorated and the boys acquitted themselves in a fine manner in serving the supper.

Dr. C. O. Bulger and Dr. Seckamp were business visitors in St. Louis this week.

Mr. and Mrs. W. H. Dams of Chesterfield were guests last week of their daughter, Mrs. Louis Tendick.

The Violenta club held their regular meeting at the home of Mrs. W. Gobble last Tuesday afternoon. After the program each member was given a recreation tone test to note the change of mood during the different styles of music played on the Edison phonograph. These blanks were sent to Mr. Edison.

Mrs. Amy Vertrees, Mrs. M. A. Story and Miss Nelle Story went to Virden last Wednesday to attend the funeral of the eight months old child of Mr. and Mrs. Raymond Vertrees.

Don't forget the Malrose sub-division of Florence, Alabama.

After spending a few days at home, Mrs. Lou Kincaid returned to St. Louis where she is spending the winter with her daughter Mrs. Ella Flood.

Lurton Tucker came down from Decatur Wednesday to get ready for his sale to be held February 22nd.

James G. Burns and Ellis Washington attended a State Farm Bureau meeting at Springfield last week.

Edward Hudson, our local telephone manager reports that all phones on the local exchange that were put out by the sleet storm are again in working order.

BIRTHDAY PARTY AT
WHITE HALL HOME

Mrs. Mary Vanderheyden Celebrates Eighty-Fourth Birthday—Other White Hall News.

WHITE HALL, Jan. 27.—The 84th birthday anniversary of Mrs. Mary Vanderheyden was celebrated today at the home of her son, Calvin in the High street neighborhood, and the aged lady was surrounded with the blessings of her family as well as receiving congratulations by both mail and phone. She is the widow of the late Calvin Vanderheyden, whose name will long be remembered for his good works and charitable disposition. He has been dead for several years. The anniversary occasion brought into prominence the list of 28 people of White Hall published last week who have passed 80 years of age, and numerous additional names have been presented, which increases the list to 35 and relates James Brooks, aged 91 years, to second place. The seven additional names are: Mrs. Mary Gible, 92 on August 16, last; Mrs. Eliza Smith 88 last December; Mrs. Margaret Sykes, 88 next April; Mrs. Frances Peterson, twin sister of Mrs. Mary Halbert, 83; Mrs. Nancy J. Henderson 83; Mrs. Rachel Baines, 83; Mrs. Katherine Quigley, 80.

The enlarged interest in Sunday school affairs in Greene county is now evidenced at Berdan in the Live Wire Class, which has advertised a box social and comic entertainment to be held in the public school building there tonight.

Hugh Russel, member of the well known Greene county family of that name, is quartered at the home of his sister, Mrs. Neva Keller, on Centennial street, this winter. He had a leg mashed in a runaway accident at Eldred some six months ago, and is quite crippled as a result. His library collection of historical documents and relics are one of the most valuable in the state, and present indications are that it will eventually go to the state historical society. Mr. Russel is a regular attendant upon the sessions of the Wendell class of the First Baptist Sunday school.

"I became enthusiastic. I wanted it for my home."

"Now that I have it I am more pleased than ever. Between business and social duties I never had much time for music. But in a few evenings Gulbransen Instruction Rolls taught me to play—well. In fact, better than my wife, who has taken lessons for years.

"I bring out every shade of expression I desire—I do everything the pianist of ability does—without the tedious finger work."

Why not make this man's experience yours? At any rate, call and let us give you an actual demonstration.
